Believing that there is something very wrong with the new Shadyside Middle School substitute teacher, Zack Pepper is frustrated when no one believes him and he is forced to get rid of her by himself. When Zack tries to convince his classmates that their new substitute teacher lives in the Fear Street Cemetery, no one believes him. You can never run away from your demons... Thirty-two year-old Dylan Reynolds has devoted himself completely to his family. He's tried to put his past behind him, climbing the corporate ladder at a prominent Chicago newspaper. But when his daughter, Hunter, begins speaking of a new and mysterious friend, Dylan can't help but fear that his past has come back to haunt him. Dylan watches in horror as Hunter's new imaginary friend appears more and more frequently in their everyday lives. His wife is convinced that it's just the active imagination of a seven-year-old. But Dylan knows better. The erratic behavior, the hushed discussions, the chill he gets whenever Hunter speaks of her friend. The signs are all too familiar for him to ignore. Determined to settle the score, Dylan turns to tarot reader and trusted friend, Evelyn Nardini. But neither of them is prepared for how deadly the game has truly become. All Dylan knows is that he must do everything he can to save his family. Or face an end at the hands of an evil far darker than he could have ever imagined... When a baby escapes a murderer intent on killing the entire family, who would have thought it would find safety and security in the local graveyard? Brought up by the resident ghosts, ghouls and spectres, Bod has an eccentric childhood learning about life from the dead. But for Bod there is also the danger of the murderer still looking for him - after all, he is the last remaining member of the family. A stunningly original novel deftly constructed over eight chapters, featuring every second year of Bod's life, from babyhood to adolescence. Will Bod survive to be a man? In his first book, *Chasing Shadows*, Larry Wilson took his readers to some of the most haunted places in the Midwest. Now, come along for the ride again as he explores more mysterious locations, including the infamous Black Moon Manor and the Sallie House. Packed with mystery and suspense, each chapter details the full history of the location, alongside the author's own extensive investigation. You will learn what he has uncovered about ghosts and hauntings

over his many years of experience in the field. Will an old, forgotten obituary give clues to disturbances at an apartment in Springfield, Illinois? Does a strange creature lurk in Elkhart Cemetery? Find the answers inside, if you dare... This updated edition contains additional information, not available at the time of the original publication, as well as expanded photographs from the locations. A vivid and blood-spattered retelling of Scotland's most terrifying, gruesome, and unusual ghost stories, related in a compelling, ironic, and frightening style. The forever rebellious Clothilde's gravestone only mentions her first name and date of death. A small bump in the ground next to her grave marks former police officer Robert's last resting place. And in thirty years, no visitors for either of them. Confined within the cemetery borders and yearning for closure to move on, the two ghosts can't go after the people who killed them. Until Clothilde receives her very first visitor — and along with it, the means to escape the cemetery. *Beyond the Grave* is the first novel in the Ghost Detective series, following Robert and Clothilde in their search for justice. To most people, man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind. To some they are inseparable; when the body dies, so does the mind. But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body. These people accept the existence of the spirit as the eternal factor of human life, believing that this part of man does not die when the body dies, but continues its existence beyond death. According to Dr. Hans Holzer, author of *Love Beyond the Grave* and many other books on the spiritual world, we already have a wealth of hard evidence regarding this next state of existence. Strong emotions are considered essential in order to make contact with someone from the spiritual world. We usually equate such emotions with anger or with crimes of passion. Dr. Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual, and in *Love Beyond the Grave*, he gives many examples of such relationships including "Sally and the Highwayman," "The Case of the Spurned Lover," "The Strange Case of the Psychic Callgirl," "The Ghostly Bedmate," and "The Affair Death Could Not Stop." This is an extraordinary collection of twenty-one cases of "love beyond the grave," all based on sound scholarship and hard facts, proving once again that there are more things in heaven and earth than are dreamt of in our philosophy. You leave us alone; we'll leave you alone. When Elaine Mercado and her first husband bought their home in Brooklyn, N. Y., in 1982, they had no idea that they and their two young daughters were embarking on a thirteen-year nightmare. Within a few days of moving in, Elaine and her older daughter began to experience the sensation of being watched. Then came scratching noises and weird smells, followed by voices whispering, maniacal laughter, shadowy figures scurrying along baseboards, and small balls of light bouncing along the ceilings. From the beginning of the haunting, "suffocating dreams" were experienced by everyone except the younger daughter. These eventually accelerated to physical aggression directed at Elaine and both the girls. This book is the true story of how one family tried to cope with living in a haunted house. It also describes how, with the help of parapsychologist Dr. Hans Holzer and medium Marisa Anderson, the family discovered the tragic and heartbreaking secrets buried in the house at Grave's End. I struggle to open my eyes, but achieve nothing but frustration and failure. I am not asleep. I am fully conscious, in a state of panic unthinkable during the day intolerable in the dark of night, held prisoner by some tortured, invisible presence, insistent on abruptly invading my slumber. The more I struggle toward freedom, the more I am pushed into the mattress, perspiring, heart palpitating, a scream involuntarily silenced within my throat. Some nights I experience my skin being stroked while I fight to regain control of my body, my sight. Thank God, this was not one of those nights. Tonight it lets me

open my eyes, shaken but unviolated, frightened, but not as frightened as I know I can become. First Runner up for the 2001 Coalition of Visionary Resources (COVR) Award for Best Biographical/Personal Book Apprehensive about spending the summer in Washington State with his Aunt Ethel when his parents get an overseas job, twelve-year-old Josh soon finds adventure when he meets the ghost of a coal miner. Vampires, voodoo queens, aliens, and clown ghosts—what secrets are buried in forgotten graveyards and hidden along corpse roads? Take a bone-chilling tour of haunted graveyards and unhallowed ground. Paranormal investigator Melba Goodwyn explores the weird phenomena, ghostly legends, and freakish folklore associated with these resting grounds of the dead: vengeful ghosts, malevolent red-eyed orbs, graveyard statues that come to life, even phantom cemeteries.... Along with true stories of her own hair-raising experiences, she offers insights into graveyard ghosts and guardians, spirited statues, bizarre tombstone inscriptions, portals linking other dimensions, and ghost roads along ley lines. Goodwyn also shares practical advice-and necessary precautions-for anyone wishing to investigate haunted graveyards on their own. From the days of ancient Greece, people have hurried their steps as they passed by—or, Heaven forbid, walked through—a cemetery after dark. Indeed, over the centuries we've developed many a superstition to protect ourselves from restless graveyard ghosts. Haunted Cemeteries exhumes more than two dozen stories of some of the most actively haunted graveyards both in this nation and abroad, including:

- **The Greenwood Hauntings:** Greenwood Cemetery in Decatur, Illinois, is one of the most ghoulish graveyards in America's Heartland, sporting at least five individual entities, a gaggle of ghost lights, and a whole trainload of Civil War dead.
- **Pretty in Pink:** The ethereal ghost of the Pink Lady floats over the graves of the Yorba Cemetery in Yorba Linda, California—on June 15 of even-numbered years, that is.
- **The Queen of Voodoo:** The restless spirit of Marie Laveau, the nineteenth-century Queen of Voodoo, is said to appear in New Orleans's St. Louis Cemetery No. 1 in the form of a gigantic black crow or a phantom black hellhound—when she's not walking through the French Quarter.

"Lynwood Montell has collected ghost tales all over the state of Kentucky, from coal mining settlements to river landings, from highways to battlefields. He presents these suspense-filled stories just as he first heard or read them: as bona fide personal experiences or as events witnessed by family members or friends. There are over 250 stories in *Ghosts across Kentucky* that are set in specific places and times. They include tales of graveyards, haunted dormitories, animal ghosts, and vanishing hitchhikers. Montell describes weird lights, unexplained sounds, felt presences, and disappearing apparitions. Phantom workmen, fallen soldiers, young lovers, and executed criminals appear in these pages, along with the living who chance upon them. Though the focus is on the stories themselves, Montell also includes a chapter explaining our fascination with the supernatural and the deep truths these storytelling traditions reveal about our lives and our pasts.

William Lynwood Montell, emeritus professor of folk studies at Western Kentucky University, is the author of several books, including *Killings*." In "Hide and Shriek," Randy Clay has been invited to the annual game of hide-and-seek in the Fear Street woods with a ghost, but if the ghost tags her, Randy loses more than the game. She becomes the next ghost on Fear Street. In "Who's Been Sleeping In My Grave?," Zack Pepper believes there is something wrong with his substitute teacher, but will his investigation to discover the truth prove to be a deadly mistake? There's a ghost on the loose—and a fox in the henhouse

Four years ago, the Eternal Slumber Funeral Home put Chicken Teater in the ground. Now undertaker Emma Lee Raines is digging him back up. The whole scene is bad for business, especially with her granny running for mayor and a big festival setting up in town. But ever since Emma Lee started seeing ghosts, Chicken's been pestering her to figure out who killed him. With her

handsome boyfriend, Sheriff Jack Henry Ross, busy getting new forensics on the old corpse, Emma Lee has time to look into her first suspect. Chicken's widow may be a former Miss Kentucky, but the love of his life was another beauty queen: Lady Cluckington, his prize-winning hen. Was Mrs. Teater the jealous type? Chicken seems to think so. Something's definitely rotten in Sleepy Hollow—and Emma Lee just prays it's not her luck. Peg Kehret does it again in this spooky, suspenseful thriller! What Josh thought would be the dullest summer of his life, spent with his eccentric great-aunt, turns chilling when he meets the ghost of a coal miner killed in a mine explosion. Willie has been waiting years for some kind soul to dig up his leg and rebury it with the rest of him—only then will he be at peace. Josh agrees to do the grisly deed, but when he digs in the old cemetery, he finds more than Willie's leg bones! Who buried the box of cash in the grave, and why? How far will that person go to get the money back? *The Ghost's Grave* is a deliciously spooky adventure from a master of suspense. Legends of abandoned old graveyards and some not so abandoned abound—the crying dog in the cemetery well, the wandering ghost of Long Tom March, who carries a deck of cards and won't rest until he finds a winning poker hand. Next to a graveyard where an arm is buried, the old piano in the forgotten church plays. These and other tales along with some more recent real-life experiences will intrigue you, skeptic or not. Read the tales with an open mind. They are for pleasure, a bit of paranormal, a little seriousness, and hopefully a laugh or two. If you are a nonbeliever in the supernatural, you may change your skepticism is etched in stone. Then again the author learned that nothing is etched in stone forever. This humorous book also includes some unusual coffins, tombstones, and epitaphs as well as some early Texas burial traditions. What Josh thought would be the dullest summer of his life, spent with his eccentric great-aunt, turns chilling when he meets the ghost of a coal miner killed in a mine explosion. Willie has been waiting years for some kind soul to dig up his leg and rebury it with the rest of him—only then will he be at peace. Josh agrees to do the grisly deed, but when he digs in the old cemetery, he finds more than Willie's leg bones! Who buried the box of cash in the grave, and why? How far will that person go to get the money back? *The Ghost's Grave* is a deliciously spooky adventure from a master of suspense. Have you wondered what lies beyond the grave? Join the Paranormal Adventurers as they unlock secrets in some of Long Island's historic and most haunted cemeteries. Venture with them into the darkest regions of the paranormal. See ghostly mists and hear spirit voices at Potter's Field in Yaphank, where spirits have only a number to identify them. Feel the toxic presence of spirits on your skin, like fingers melting into flesh, at the East Hillside Cemetery in Glen Head, where ghosts hunt live children. Visit Machpelah Cemetery in Ridgewood Queens, where Harry Houdini is buried. See the creepiest and most mysterious cemetery on Long Island where you might see a white-faced phantom hiding in the darkness of the shadows watching you. Join The Paranormal Adventurers as they search for ghostly clues...you won't be sorry... A good ghost story can make your hair stand on end, your palms sweat, and your heart race. The bone-chilling collection *Tales of Kentucky Ghosts* presents more than 250 stories that do just that. In his new book, William Lynwood Montell has assembled an entertaining and diverse array of tales from across the commonwealth that will keep you checking under the bed every night. The first-person accounts in this collection showcase folklore that Montell has drawn from archives, family stories, and oral traditions throughout Kentucky. The stories include that of the ghost bride of Laurel County, who appears each year on the anniversary of her wedding day; the tale of the murdered worker who haunts the Simpson County home of his killer and former employer; and the account of the lost mandolin that plays itself in a house in Graves County. These and many other chilling stories haunt the pages of *Tales of Kentucky Ghosts*. In the tradition of Montell's previous

Kentucky ghost books (Ghosts across Kentucky and Haunted Houses and Family Ghosts of Kentucky), Tales of Kentucky Ghosts brings together a variety of terrifying narratives that not only entertain and frighten but also serve as a unique record of Kentucky's rich heritage of storytelling. I am a corpse sealer, a profession known in the profession as the "Ergonomist." In this line of work, there were corpses that were raped, humiliated, and frequently happened. That day, a plump and naked female corpse was brought to me ... Explores eleven of the world's spookiest graveyards. From the Hoosier National Forest to the banks of Lake Michigan, Indiana's landscape is dotted with urban and rural cemeteries teeming with restless spirits. Crown Hill Cemetery is the final resting place of many notable Hoosiers, as well as one rather infamous soul, but it may also serve as a playground for the spectral children of Community Hill. Tales of mournful spirits can be found at Stepp Cemetery and Highland Lawn, while other areas such as Forest Hill and the cemeteries of LaPorte have far darker stories to tell. Join tour guide and paranormal investigator Ashley Hood on a journey through Indiana's ghostly burial grounds. In a lonely Illinois cemetery one cold October night, teen ghosts recount the stories of their deaths in different time periods, from 1870 to the present, to sixteen-year-old Mike, who unknowingly picked up a phantom hitchhiker. Read the tales with an open mind. They are for pleasure, a bit of paranormal, a little seriousness, and hopefully a laugh or two. If you are a nonbeliever in the supernatural, you may change your skepticism is etched in stone. Then again the author learned that nothing is etched in stone forever. Five months after the events in *The Creeping Shadow*, we join Lockwood, Lucy, George, Holly, and their associate Quill Kipps on a perilous night mission: they have broken into the booby-trapped Fittes Mausoleum, where the body of the legendary psychic heroine Marissa Fittes lies. Or does it? This is just one of the many questions to be answered in Book 5 of the Lockwood & Co. series. Will Lockwood ever reveal more about his family's past to Lucy? Will their trip to the Other Side leave Lucy and Lockwood forever changed? Will Penelope Fittes succeed in shutting down their agency forever? The young agents must survive attacks from foes both spectral and human before they can take on their greatest enemy in a climactic and chaotic battle. And to prevail they will have to rely on help from some surprising--and shadowy--allies. Jonathan Stroud once again delivers a rousing adventure full of danger, laughs, twists, and frights. The revelations will send readers back to Book 1 to start the series all over again. Exclusive to this paperback edition: a Lockwood & Co. short story, "The Dagger in the Desk," and an illustrated ghost guide. *The Ghost Story Club* by Carolyn Kissinger [-----] Chicago is full of ghosts, mysterious deaths, murders, and tragic events. Visit over eighty macabre Chicagoland locations you'd never want to visit after dark. The most famous Chicago ghost stories, including ""Resurrection Mary"" and ""Bachelor's Grove,"" are featured along with some lesser-known tales such as ""The Sunnybrook Asylum"" and ""The Gate. Examines and explains several mysteries surrounding death and dying, including spontaneous human combustion, remembering past lives, ghosts, and near-death experiences. Contrary to what many people think, most ghosts aren't all that chatty. They like to pop in and out and leave cryptic messages that take forever to figure out. Take the groundskeeper at my son's lacrosse park: I know he's trying to tell me something, but his mysterious messages and finger-pointing are impossible to understand. And when my son's lacrosse teammate goes missing, I know that ghost knows something. But getting him to talk about it is harder than getting my teenager to unplug from his video game! Just as the puzzle begins to take shape, I start to realize that the situation is even worse than I had thought. And then my own son disappears. Now it's all-out war... Because nothing can stop a mother from saving her child. If you like Southern paranormal cozy mysteries, you'll love this stand-alone cozy mystery!

Wizard for hire Harry Dresden gets mixed-up with the dead in this “haunting, fantastical novel”(Publishers Weekly) in the #1 New York Times bestselling series. Harry Dresden’s faced some pretty terrifying foes during his career. Giant scorpions. Oversexed vampires. Psychotic werewolves. It comes with the territory, when you’re the only professional wizard in the Chicago area phone book. But in all Harry’s years of supernatural sleuthing, he’s never faced anything like this: the spirit world’s gone postal. All over Chicago, ghosts are causing trouble—and not just of the door-slamming, boo-shouting variety. These ghosts are tormented, violent, and deadly. Someone—or something—is purposely stirring them up to wreak unearthly havoc. But why? And why do so many of the victims have ties to Harry? If Harry doesn’t figure it out soon, he could wind up a ghost himself... For southwest Missouri, the Civil War was an unparalleled period of violence, sorrow and anger. As the torches burned the physical landscape, the depredations inflicted were also scorched upon the psyche of the people who lived through fires. Survey Carthage's battlefield for stubborn holdouts or hold vigil at the Kendrick House for innocent bystanders who were swept up into the stratagems of bushwhackers and guerrillas. Meet the Bloody Spikes, Rotten Johnny Reb and scores more figures from the region's past who continue to trouble its present. Never look at a grave the same way again Admit it: You're fascinated by cemeteries. We all die, and for most of us, a cemetery is our final resting place. But how many people really know what goes on inside, around, and beyond them? Enter the world of the dead as Katherine Ramsland talks to mortuary assistants, gravediggers, funeral home owners, and more, and find out about: Stitching and cosmetic secrets used on mutilated bodies Embalmers who do more than just embalm The rising popularity of cremation art Ghosts that infest graveyards everywhere If you've ever scoffed at the high price of burying the dead, or ever wondered how your loved ones are handled when they die, or simply stared at tombstones with morbid fascination, then take a trip with Katherine Ramsland and learn about the booming industry -- and strange tales -- that surround cemeteries everywhere. A REVERSE HAREM PARANORMAL ROMANCE FROM BESTSELLING AUTHOR JAYCE CARTER Book one in the Grave Concerns series Ghosts, corpses and four hot men—what's a girl to do? Abandoned at three—whose parents want a kid who sees ghosts?—I learned the world is quick to punish misfits. I try my best to be a normal, boring human, but the call of the supernatural just won't be ignored. When a stranger shows up on my doorstep in the middle of the night, it's no sexy tryst. Instead, I'm off to the graveyard, digging up the corpse of a murder victim at the demand of the local vampire coven—and that small felony is just the start. The spirit of the woman has gone missing—something that shouldn't be possible—and everyone is looking to me for answers. There's Kase, a vampire who's both terrifying and secretive. Grant, a mage with a bad attitude and a lot of power. Troy, the possessive werewolf-detective next door and Hunter, a mysterious bad boy who isn't even close to human. It's a race not just against time but against everything to figure out where the spirits are going, who's behind it and if I can trust the men who now share my bed. And all because of a little grave robbing... The monograph deals with the topic of ghosts in universal literature from a polyhedral perspective, making use of different perspectives, all of which highlight the resilience of these figures from the very beginning of literature up to the present day. Therefore, the aim of this volume is to focus on how ghosts have been translated and transformed over the years within literature written in the following languages: Classical Greek and Latin, Spanish, Italian, and English. The Sinner by Amanda Stevens released on Sep 27, 2016 is available now for purchase. "Describes ghost sightings and hauntings in the Midwestern United States"-- Is your pet really dead? Paranormal investigator Joshua Warren thought his dachshund was, but for weeks after her death he still heard her shrill, desperate

whining haunting his home. Using an array of high-tech equipment, he searched for her presence. What he found led him on an exploration of ghostly animals throughout history. That exploration is here, in *Pet Ghosts*. From known creatures to unknown, ancient to modern, anecdote to scientific theory, in text and pictures, *Pet Ghosts* is a comprehensive look at how animal spirits relate to humans, for better or worse, and how you can document them on your own.
