Silverado Beckoning Oct 27 2020 After the death of her

father in 1885, twenty-two-year-old Kate Bradford finds herself alone and lonely in Charleston, South Carolina. She's had some success teaching piano to make ends meet. Even so, life is a struggle. It grows worse when her repugnant landlord, Homer Barnes, makes unwelcome advances toward her. Kate is desperate for change. She answers an intriguing advertisement, which launches her on a journey of a lifetime aboard the transcontinental railroad. The great Iron Horse carries her across the country to a whole new world, to a shining city on a hill, a city far away from Homer Barnes: San Francisco. Jonathan Kelly has become bitter and aloof. The recent and senseless death of his young wife, Sarah, haunts him. He lives with his family at Silverado, a ranch and winery in Napa Valley, California, where he focuses on hard work and the raising of his son, Christian. The ranch is his respite—his lifeline—and he treasures it. Jonathan is introduced to Kate in San Francisco and is taken by her stunning beauty and infectious Southern charm. Beguiled, he resents her involvement with his good friend and partner, Franklin Jones, a much older and very wealthy businessman. When unforeseen circumstances propel Kate to Napa Valley, Jonathan is baffled. How could his family members be so accepting of her? Couldn't they see her for what she was? Mysterious events soon place her in danger, and Jonathan's routine is thrown into turmoil, threatening the tranquility of his beloved home, Silverado.

A Shooter's Moon Jul 05 2021 This is the continuation of Jim Coleman's inner battle with his morals to decide what is right and wrong. Jim had spent most of his teen years in parochial schools, and he can't get out of his mind what the nuns taught

him. The worst commandment to break is "Thou Shall Not Kill." He has been sent on "temporary duty" to a top secret unit of the CIA, which only the most powerful and influential men in Washington know about. Jim has been designated as the number one assassin, and this takes him to the most difficult assignments in Southeast Asia. As his unit progresses, each mission becomes more difficult and dangerous with Jim, and his unit of five is in North Vietnam more than most. As time comes closer to the United States getting into the war, Jim's unit, along with all the other units, is assigned to rescue down pilots on the border of North Vietnam and China. This mission, as dangerous as it is, could be the end of all the assassins assigned to the CIA.

Endless Realities Jun 23 2020 Dear Brave Readers, I am about to take you into a world that is barely talked about in our modern, linear lives -- a world of abstracts and alterations in contrast to our perceptions we have been taught to believe since we were children. The art of lucid dreaming is an intrinsic part of Shamanic practices all over the world; yet in our society it is overlooked and discounted, regardless of valuable lessons they may be trying to teach us. Many ancient cultures believe the dream time is the real world and the awake time is the illusionary world because when you're asleep at night, your spirit is wide open to the Universe. When you're physically awake, your thinking is dictated by what you've been programmed to believe in from the time of your birth, by your parents, religions, schools and cultures.

Battle Cry Sep 26 2020 Battle Cry is the story of a young girl named Cadence, who takes a long but meaningful journey to discover her true self. Cadence suffered many years of mental and sexual abuse from the one person she least expected to make her suffer, her own father. With the fear that no one would believe her or understand her pain, along with the problems she was having at home, she reached the lowest point in her life. She began to question her worth and who she was—until a horrific car accident changed her life. She met the man she never thought she would get to meet, Jesus Christ. After waking up from a three-month coma, she finally decided it was time to tell the world what it had been missing. Once everyone knew of her deepest, darkest secrets, her life began to change. She blossomed from a trepidated, little girl to a beautiful, strong, young woman who was getting ready to graduate and take the next steps to start a life for herself. She no longer lived in fear and recognized her true worth. All thanks to her friends, loved ones, and the true Lord and Savior, Jesus.

The Silverado Squatters Oct 20 2022 Life in its shadow goes rustically forward. Bucks, and bears, and rattle-snakes, and former mining operations, are the staple of men's talk.

Agriculture has only begun to mount above the valley. And though in a few years from now the whole district may be smiling with farms, passing trains shaking the mountain to the heart, many-windowed hotels lighting up the night like factories, and a prosperous city occupying the site of sleepy Calistoga; yet in the mean time, around the foot of that mountain the silence of nature reigns in a great measure

unbroken, and the people of hill and valley go sauntering about their business as in the days before the flood. To reach Mount Saint Helena from San Francisco, the traveller has twice to cross the bay: once by the busy Oakland Ferry, and again, after an hour or so of the railway, from Vallejo junction to Vallejo. Thence he takes rail once more to mount the long green strath of Napa Valley. In all the contractions and expansions of that inland sea, the Bay of San Francisco, there can be few drearier scenes than the Vallejo Ferry. Bald shores and a low, bald islet inclose the sea; through the narrows the tide bubbles, muddy like a river.

Stories of Silverado Ranch Aug 25 2020 “I have always wanted,” he said, “to find a wild piece of desert and turn it into an oasis.” Anthea and Roy McLean prospered as working professionals for years—but that life didn’t quite feel right. One day, when they were taking care of their animals on their acreage in South Surrey, they realized they wanted to do that more than live their lives in the city. After many hours debating the logistics of purchasing and running a farm, they took the plunge: they were going to create their own Eden. *Stories of Silverado Ranch* follows the true stories of the McLeans’ setbacks and successes in turning a patch of wilderness into their homestead. From building their own house using materials found on their land to growing their own food, the road to fulfilling their dream was far from easy. They even found their own families crushing their spirits, displeased with the lifestyle they had chosen. But no matter how daunting the path to their pocket of paradise seemed, they found happiness in surmounting these difficulties, becoming part of a small but loving community. At Silverado Ranch, Anthea McLean shows us that there is no goal too big to accomplish, no obstacle too big to

overcome, no matter what phase of life you're in.

THE SILVERADO SQUATTERS Sep 06 2021 THE scene of this little book is on a high mountain. There are, indeed, many higher; there are many of a nobler outline. It is no place of pilgrimage for the summary globe-trotter; but to one who lives upon its sides, Mount Saint Helena soon becomes a centre of interest. It is the Mont Blanc of one section of the Californian Coast Range, none of its near neighbours rising to one-half its altitude. It looks down on much green, intricate country. It feeds in the spring-time many splashing brooks. From its summit you must have an excellent lesson of geography: seeing, to the south, San Francisco Bay, with Tamalpais on the one hand and Monte Diablo on the other; to the west and thirty miles away, the open ocean; eastward, across the corn-lands and thick tule swamps of Sacramento Valley, to where the Central Pacific railroad begins to climb the sides of the Sierras; and northward, for what I know, the white head of Shasta looking down on Oregon. Three counties, Napa County, Lake County, and Sonoma County, march across its cliffy shoulders.
