*Zmoliere's Lis Precieuses Ridicules* Apr 29 2021 A landmark work of French literature, Moliere's 'Les Precieuses Ridicules' is a masterful satire of the fashionable society of 17th-century Paris. In this insightful and engaging study, Andrew Lang offers readers a close analysis of the play's themes and characters, providing a valuable introduction to one of the great works of the French theater. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. **Molière's Les Précieuses Ridicules** Dec 18 2022 Excerpt from Molière's Les Précieuses Ridicules: Edited With Introduction and Notes This volume is one of a series of French Plays, the editors of which have been good enough to adopt the plan of the edition of Horace published by me in the Clarendon Press Series, to permit me to read their proofs, and to admit among their work an 'essay on the Progress of French Comedy,' which takes the place of those on Tragedy in the Horace. For this Essay I alone am responsible. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Princess Butterflies Sep 03 2021 This is a new English language translation of Molière's 17th century one-act comedy, "Les Précieuses Ridicules."

Comparison of Molière's Les Précieuses Ridicules with Several English Adaptations of the Seventeenth Century Jan 07 2022

**Moliere's Les Précieuses Ridicules** Jan 19 2023 Excerpt from Moliere's Les Précieuses Ridicules: Edited With Introduction, Notes, and Vocabulary Scudery's description of the earte tle Tena're, Voltaire's Som mat're, and Moliere's Preface. Within these limits the list of words and idiomatic phrases is believed to be complete, and many verbal difficulties are there explained which would otherwise have found a place among the notes. The bibliography has been prepared for the convenience of those who may be induced by the reading of this play to continue their study of Moliere and of the century in which he lived. It should be added that in the notes and introductory matter a conscientious effort has everywhere been made to arouse the interest of the student, and to enable him to enter into the Spirit of the play by first entering into the spirit of the times, a process which is nowhere more necessary than in Les Préez'euses ridicules. But after all, for the best commentary on this delicious little thing, as Addison might have called it, we must still go to the House of Moliere, and listen to the inimitable actors whose privilege it is to receive and to hand down unimpaired the glorious traditions of the French stage. In conclusion, there remains the pleasant duty of expressing obligation to all those who have helped to see this volume through the press, and especially to Prof. A. N. Van Daell of the Massachusetts Institute of Technology and Mr. D. O. S. Lowell of the Roxbury Latin School, for their kindness in reading the proof-sheets and in offering many valuable suggestions which have been adopted. The Pretentious Young Ladies Dec 26 2020 The Pretentious Young Ladies (Les Précieuses ridicules) is a one-act satire by Molière in prose. It takes aim at the précieuses, the ultra-witty ladies who indulged in lively conversations, word games and, in a word, préciosité (preciousness). The Pretentious Young Ladies is a biting comedy of manners that brought Molière and his company to the attention of Parisians, after they had toured the provinces for years. The play received its Paris premiere on 18 November 1659 at the Théâtre du Petit-Bourbon. It seems not to have been staged before that in the provinces. It was highly successful and attracted the patronage of Louis XIV to Molière and company. Les Précieuses ridicules still plays well today.
