Artificial Intelligence in Education Apr 27 2023 This publication covers papers presented at AIED2009, part of an ongoing series of biennial international conferences for top quality research in intelligent systems and cognitive science for educational computing applications. The conference provides opportunities for the cross-fertilization of techniques from many fields that make up this interdisciplinary research area, including: artificial intelligence, computer science, cognitive and learning sciences, education, educational technology, psychology, philosophy, sociology, anthropology, linguistics, and the many domain-specific areas for which AIED systems have been designed and evaluated. AIED2009 focuses on the theme "Building learning systems that care: from knowledge representation to affective modelling". The key research question is how to tackle the complex issues related to building learning systems that care, ranging from representing knowledge and context to modelling social, cognitive, metacognitive, and affective dimensions. This requires multidisciplinary research that links theory and technology from artificial intelligence, cognitive science, and computer science with theory and practice from education and the social sciences.

IU: The Queen of K-pop Aug 27 2020 Who do you think is the most popular female k-pop singer? Who do you think is the most talented female k-pop singer? There could be many different voices and opinions, but the majority of people in the k-pop industry would say it 's IU. The talented singer, who has numerous hits such as " Good Day ", " You&I ", " Twenty-Three " and " Palette " is being loved by men and women of all ages, and as a competent musician, she wrote many of her own songs too. What 's most surprising about her is she can cover a diverse range of genres, while there are no other young k-pop singers who can do as great as her.

That 's not all. IU is one of the most popular k-pop singers among k-pop industry workers because she is very good-natured. She's kind to everybody and she never acts high and mighty even though she is a top star. And as you may know, the sweet girl always cares about her fans and tries to do anything she can do for them. So, are you a big fan of IU? Do you want to know all the stories about the queen of k-pop? IU: The Queen of K-pop contains all the things about IU. The author, who has been working as a k-pop journalist since 2010 gives you answers to all the questions about IU such as " What is her real personality like? ", " How was her childhood? " and " What is IU 's ideal type of man like? ". The book also includes various stories behind IU. Welcome to the real world of k-pop. Enjoy your time!
