*Practical Finite Element Analysis* Mar 25 2023 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IIT<sup>TM</sup>s & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

*Death in Florence (A Year in Europe—Book 2)* Aug 06 2021 “When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller.” --Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. The series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she’d thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it’s time for herself—and

to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In *DEATH IN FLORENCE* (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! *A YEAR IN EUROPE* is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy mystery series they've been hoping for! Book #3 (*VENGEANCE IN VIENNA*) in the series is now also available!

**Rhapsody for Piano and Ghost** Dec 30 2020 Topper Meets Emma! Re-release of bestselling 2009 novel - What happens when Rory travels halfway across the country to meet the girl of his dreams? Certainly not what he expected...Rory's just be a simple southern boy from St. Antoine's Parish, Louisiana, but he knows what he wants -- the girl of his dreams, reclusive and mysterious artist Ran Yamane. He's loved her since junior high school, and now he has the chance to meet her. He chucks everything and travels 1,500 miles to Anime Expo in Long Beach just so he can tell her. He's determined that nothing and nobody are going to stand in his way. Turns out, Ran Yamane isn't a girl, but he gets that a lot. People come to him with teddy bears and chocolates and disappointment by the truckload. He's trusted fans in the past and paid the price. So when he meets Rory he is understandably wary, but resigned. He isn't prepared for his magnetic attraction to the young man, Rory's apparent willingness to overlook his gender, and the chaos that ensues when his number one fan (and psycho stalker) shows up to get revenge. Re-release.

Theology, Disability and Sport Dec 22 2022 This ground-breaking book provides fascinating insights into the fast-emerging body of research that explores the relationship between sport, theology and disability within a social justice framework. In the shadow of two major sport-faith events that fore-fronted the theology of disability sport, the Vatican's international conference—Sport at the Service of Humanity and the Inaugural Global Congress on Sports and Christianity York St John University, UK, at which Dr Brian Brock led a thematic strand on the topic—this book provides a foundation for further research and practice. This text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research: (i) 'disability sport' and (ii) the 'theology of disability'. Examples of subjects addressed in this text include: elite physical disability sport—Paralympics; intellectual disability sport—Special Olympics; equestrian sport; church, sport and disability, and; theologies of embodiment, competition and mercy. This book, written by leaders in their respective fields, begins a critical conversation on these topics, and many others, for both researchers and practitioners. The chapters originally published in the *Journal of Disability and Religion and Quest*.

*Egrets and Hippos* Jul 05 2021 The Better Together series presents an introductory look at some of nature's most exciting cooperative pairs. **Taken by the Duke** Mar 13 2022 The steamy first book in The Pleasure Wars series by USA Today Bestselling Historical Romance Author Jess Michaels. Amid all the lies and scandals that fuel Society's gossip mill, one truth has stood out: House Rothcastle and House Windbury have always hated each other. Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly

surrenders to his every sexual whim—after haggling over the terms of giving up her virginity. Too late, he realizes she is using her body for peace, not war. But just as their affair of revenge turns into an affair of the heart, the past rears its ugly head to take matters into its own hands... Length: Full Length Novel Heat Level: Naughty, naughty CW: Violent accident (on page), abuse (described) This book is the first book in The Pleasure Wars series.

*Waiting (The Making of Riley Paige—Book 2)* Nov 08 2021 “A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re Once Gone) *WAITING (The Making of Riley Paige—Book Two)* is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller *Once Gone (Book #1)* has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the “clown killer”—but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the “clown killer,” he dressed and paints his victims as clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer’s mind is too dark—and the battle too personal—for Riley to come out unscathed. Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, *WAITING* is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley’s career began—and is the perfect complement to the *ONCE GONE* series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in *THE MAKING OF RILEY PAIGE* series is also now available!

*The Sixth Station* Jan 23 2023 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

***The Tomorrow Code*** Jul 29 2023 “The end of the world started quietly enough for Tane Williams and Rebecca Richards. . . .” Tane and Rebecca aren’t sure what to make of it—a sequence of 1s and 0s, the message looks like nothing more than a random collection of alternating digits. Working to decode it, however, they discover that the message contains lottery numbers . . . lottery numbers that win the next random draw! More messages follow, and slowly it becomes clear—the messages are being sent from Tane and Rebecca’s future. Something there has gone horribly wrong, and it’s up to them to prevent it from happening. The very survival of the human race may be at stake! “[A] terrifying SF page-turner!”—Booklist “A tautly constructed plot. Fast-paced and all-too-realistic.

This technothriller offers gearhead ecowarriors everything, including a hugely satisfying ending.”—Kirkus Reviews A Top 10 Kid’s Indie Next Winter Pick A Junior Library Guild Selection

*Apocalypse* Oct 20 2022 “There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation].” —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, *Apocalypse* is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. “Architecture in movement” is the key to understanding Revelation’s puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul’s thorough engagement with Revelation.

*Autodesk Revit 2018 MEP Fundamentals - Metric Units* Feb 21 2023 To take full advantage of Building Information Modeling, the Autodesk(R) Revit(R) 2018 MEP: Fundamentals student guide has been designed to teach the concepts and principles of creating 3D parametric models of MEP system from engineering design through construction documentation. The student guide is intended to introduce students to the software's user interface and the basic HVAC, electrical, and piping/plumbing components that make the Autodesk Revit software a powerful and flexible engineering modeling tool. The student guide will also familiarize students with the tools required to create, document, and print the parametric model. The examples and practices are designed to take the students through the basics of a full MEP project from linking in an architectural model to construction documents. Topics Covered Working with the Autodesk Revit software's basic viewing, drawing, and editing commands. Inserting and connecting MEP components and using the System Browser. Working with linked architectural files. Creating spaces and zones so that you can analyze heating and cooling loads. Creating HVAC networks with air terminals, mechanical equipment, ducts, and pipes. Creating plumbing networks with plumbing fixtures and pipes. Creating electrical circuits with electrical equipment, devices, and lighting fixtures and adding cable trays and conduits. Creating HVAC and plumbing systems with automatic duct and piping layouts. Testing duct, piping and electrical systems. Creating and annotating construction documents. Adding tags and creating schedules. Detailing in the Autodesk Revit software. Prerequisites This student guide introduces the fundamental skills in learning the Autodesk Revit MEP software. It is highly recommended that students have experience and knowledge in MEP engineering and its terminology.

*Health Care In 2020* Jul 17 2022 Health reform, often called Obamacare, may or may not survive legal challenges and the aftermath of the 2012 election. The new law and the alternatives put forth by its opponents are unlikely to alter U.S. health care's most pressing problems: physician shortages; uncontrollable cost increases; widespread and poorly controlled chronic disease, and widespread medical treatment that does not benefit patients. In *Health Care in 2020*, award-winning veteran journalist Steve Jacob distills six years worth of research and reporting on health care policy, and reveals where health care is headed and what can be done to change its perilous course. Health reform's major goal was to ensure everyone had affordable health insurance. How affordable that insurance will be is a separate

**Villain of Secrets** Apr 13 2022 USA Today and Wall Street Journal bestselling author L A Cotton's angsty college mafia romance series continues with Enzo Marchetti's story... Nora Abato is the kind of girl people gravitate to. Sassy. Selfless. Stubborn. She knows what she wants and she's determined to get it. And Nora wants her very own mafioso, the bad boy with a tortured soul who will do whatever it takes to protect his family. Enzo Marchetti is the kind of guy people run from. Rash. Reckless. Ruined. As the Marchetti crime family's new enforcer, he'd rather spend his days getting his hands dirty than thinking about the future, or the girl with fire in her eyes and fight in her heart. When a new enemy threatens the Marchetti empire, Enzo and Nora suddenly find themselves in close confines, and the undeniable connection between them is pushed to its limits. He can't resist the girl who sees past the darkness in his soul and she can't give up on the guy who has never been taught how to love. There's only one problem. Enzo isn't Nora's fairytale prince, he's the villain who will destroy her

dream of a happily-ever-after. He'll break her... If she doesn't break him first. \*Due to mature content that some readers may find distressing, this book is recommended for readers 18+

**PRINCIPLES OF MASS TRANSFER AND SEPERATION PROCESSES** Sep 30 2023 This textbook is targetted to undergraduate students in chemical engineering, chemical technology, and biochemical engineering for courses in mass transfer, separation processes, transport processes, and unit operations. The principles of mass transfer, both diffusional and convective have been comprehensively discussed. The application of these principles to separation processes is explained. The more common separation processes used in the chemical industries are individually described in separate chapters. The book also provides a good understanding of the construction, the operating principles, and the selection criteria of separation equipment. Recent developments in equipment have

been included as far as possible. The procedure of equipment design and sizing has been illustrated by simple examples. An overview of different applications and aspects of membrane separation has also been provided. 'Humidification and water cooling', necessary in every process industry, is also described. Finally, elementary principles of 'unsteady state diffusion' and mass transfer accompanied by a chemical reaction are covered. SALIENT FEATURES : • A balanced coverage of theoretical principles and applications. • Important recent developments in mass transfer equipment and practice are included. • A large number of solved problems of varying levels of complexities showing the applications of the theory are included. • Many end-chapter exercises. • Chapter-wise multiple choice questions. • An Instructors manual for the teachers.
