Paper Chasers Dec 13 2021 During the summer of 1991, the crack epidemic is destroying lives in cities across the U.S., and New York City is no exception. The members of Fourth Crew live in Queens, where crack addiction has swept through the ghetto and the dealers rule the streets. These young thugs come from middle-class homes in a middle-class neighborhood, but this doesn't make them immune from the lure of fast money and power. They enter the game with dreams of living the high life, but are soon swept up in the violence and betrayal that come with the territory. It doesn't take them long to understand that there are serious repercussions to chasing paper. Loosely based on the author's life, *Paper Chasers* takes us into the minds of these young hustlers and gives readers a realistic portrait of life on the streets. It's a tale of good and evil that chronicles the ways in which money can destroy friendships, challenge morals, and corrupt even those sworn to serve and protect. An *Essence* bestseller upon its release, *Paper Chasers* has become a gritty street classic.

[Working with Paper](#) Sep 02 2023 *Working with Paper* builds on a growing interest in the materials of science by exploring the gendered uses and meanings of paper tools and technologies, considering how notions of gender impacted paper practices and in turn how paper may have structured knowledge about gender. Through a series of dynamic investigations covering Europe and North America and spanning the early modern period to the twentieth century, this volume breaks new ground by examining material histories of paper and the gendered worlds that made them.

Contributors explore diverse uses of paper—from healing to phrenological analysis to model making to data processing—which often occurred in highly gendered, yet seemingly divergent spaces, such as laboratories and kitchens, court rooms and boutiques, ladies' chambers and artisanal workshops, foundling houses and colonial hospitals, and college gymnasiums and state office buildings.

Together, they reveal how notions of masculinity and femininity became embedded in and expressed through the materials of daily life. *Working with Paper* uncovers the intricate negotiations of power and difference underlying epistemic practices, forging a material history of knowledge in which quotidian and scholarly practices are intimately linked.

Spinning Blimp! Beginning-Level Paper Airplanes Apr 16 2022 Take off down the runway with a simple fold, fold, fold, and a side of science. Step-by-step instructions show you how to build the Spinning Blimp and other beginning-level paper airplanes, while hearty, fact-filled sidebars and an "Inside the Hangar" feature explain the basic science behind flight. Bonus 4D components really give this title wings!

Bad Paper Jun 18 2022 The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft. Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of "paper"—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a "package" of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling.

Water Requirements of the Pulp and Paper Industry Mar 28 2023

Paper: Paging Through History Jul 20 2022 From the New York Times best-selling author of *Cod and Salt*, a definitive history of paper and the astonishing ways it has shaped today's world. Paper is one of the simplest and most essential pieces of human technology. For the past two millennia, the ability to produce it in ever more efficient ways has supported the proliferation of literacy, media, religion, education, commerce, and art; it has formed the foundation of civilizations, promoting revolutions and restoring stability. By tracing paper's evolution from antiquity to the present, with an emphasis on the contributions made in Asia and the Middle East, Mark Kurlansky challenges common assumptions about technology's influence, affirming that paper is here to stay. Paper will be the commodity history that guides us forward in the twenty-first century and illuminates our times.

The Paper Palace Aug 01 2023 REESE'S BOOK CLUB PICK INSTANT #1 NEW YORK TIMES BESTSELLER OVER 1 MILLION COPIES SOLD WORLDWIDE THE PAPER PALACE IS: "Filled with secrets, love, lies and a summer beach house. What more could you ask?"—Parade "A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-turner." —Cynthia D'Aprix Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Darth Paper Strikes Back (Origami Yoda #2) May 30 2023 The hilarious, clever, and much-anticipated follow-up to the breakout hit, *The Strange Case of Origami Yoda!* It is a dark time at Ralph McQuarrie Middle School. After suffering several Origami Yoda-related humiliations, Harvey manages to get Dwight suspended from school for being a "troublemaker." Origami Yoda pleads with Tommy and Kellen to save Dwight by making a new case file—one that will show how Dwight's presence benefits McQuarrie. With the help of their friends, Tommy and Kellen record cases such as "Origami Yoda and the Pre-eaten Wiener," "Origami Yoda and the Exploding Pizza Bagels," and "Origami Yoda and Wonderland: The Musical." But Harvey and his Darth Paper puppet have a secret plan that could make Dwight's suspension permanent . . . This is the second case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in "a satisfying tale of friendship and just resistance to authority" (Kirkus Reviews, starred review). Praise for *Darth Paper Strikes Back* STARRED REIVEW "Angleberger's just-as-funny follow-up to *The Strange Case of Origami Yoda* delves deeper into the mystery of the helpful paper Yoda in a satisfying tale of friendship and just resistance to authority. Pitch-perfect middle-school milieu and enough Star Wars references (and laughs) to satisfy fans and win new ones."—Kirkus Reviews, starred review "In this imaginative sequel...author Tom Angleberger has his finger puppet squarely on the erratic pulse of middle-school life, with its shifting allegiances, squeals, moans and misgivings."—Washington Post "As with this story's predecessor, the well-observed middle-school dynamics (and Angleberger's sharp sense of humor) are greatly amplified by the book's design, which includes faux wrinkled pages, abundant doodles, and other scrawled marginalia. It's a natural step up from the *Wimpy Kid* series, with more text and narrative complexity, but just as much on-target humor and all-around fun." —Publishers Weekly "This book is honest, funny, and immensely entertaining. The illustrations and design will engage readers. Based on the positive reception *Origami Yoda* has received, kids will

be clamoring for this sequel. They won't be disappointed." —School Library Journal "The Force is with Tom Angleberger in this sequel to his funny and clever novel/comics hybrid, *The Strange Case of Origami Yoda*. A sequel to equal the funny and clever novel/comics debut of the *Origami Yoda*, as Dwight's friends try to save him from reform school.—Shelf Awareness "With the same deft touch that made *The Strange Case of Origami Yoda* a pleasure, Angleberger takes readers through the ups and downs of adolescence." —Portland Book Review "Darth Paper offers further proof that Angleberger really understands middle-schoolers and the daily dramas that engulf them, while still finding the humor inherent in their situations.—Scripps News

[Papers and Addresses Presented at the Annual Meeting of the Technical Association of the Pulp and Paper Industry](#) Aug 28 2020

Paper Airplanes Apr 04 2021 Renée and Flo are the most unlikely of friends. Introspective and studious Flo and outspoken, wild, and sexually curious Renée have barely spoken in their years of going to school together in Guernsey, a small British island off the coast of France. And yet, when tragedy strikes, it is only wild child Renée, who lost her mother at a young age, who is able to comfort a grieving Flo. The girls form an intense bond that sees them through a host of deeply relatable, wince-inducing experiences—drunken snogging; a séance in which clueless friends offer to summon Renée's mother; dating a guy for free fish and chips. But toxic mean girls and personal betrayals threaten to tear the girls' delicate new friendship apart. In this gripping debut, Dawn O'Porter shines an unflinchingly honest, humorous light on female friendship, lost innocence, and that moment when you are teetering on the threshold of adult life. Praise for *Paper Airplanes* "Dawn O'Porter was a teenager in her past life. Well, duh! How else could she have gotten this bitch-perfect, debut novel so right! *Paper Aeroplanes* is spot on! This teen friendship, is brutal and beautiful, flawed and forgiving. The angst and anguish of adolescence are made safer by her talented hand. Wish she had written this when I was 15!" --Jamie Lee Curtis "Poignant and edgy, this exploration of lively female friendships rises high." --Kirkus Reviews

Expired Paper Dec 25 2022 Divided into sections that represent the breadth of Alison Rossiter's (born 1953) process and vision, 'Expired Paper' offers a comprehensive look at the artist's body of cameraless photo-art?Latent, Landscapes, Pools, Pours, Dips, Blurs, Fours and Collages. Art critic Leah Ollman has been contemplating Rossiter's work for years, and her accompanying text serves as an ideal complement to the images: 'All of the works pay homage to the rich idiosyncrasies of photographic papers across history, and restore a sanctity to the photograph as object. Made without cameras, lenses or film, the works are nothing but process and materiality.' The book also includes a selection of early 20th-century photographic paper packages (which the artist has collected for over 10 years) in a separate booklet.

Grid Paper Jan 31 2021 Quad Rule graph paper, 8.5 x 11 (4x4 graph paper) 100 pages Widely used for math or science for younger children (teens and college age may use). Graph paper has many uses. Here are some possible ones: Design projects, mapping for board/video/role play games, designing floor plans, tiling or yard landscaping, playing pen and pencil games, planning embroidery, cross stitch or knitting. Some occupational therapists use squared paper for writing practice. Artists may use grids to copy pictures. Programmers, engineers and scientists may prefer graph paper for notes that involve formulas. Click buy to get your Quad Rule graph paper now!

Pineapple Light Notebook Sep 29 2020 good and beautiful Graph Paper Notebook, easy to use for kids to practice writing or calculus and other subjects at school, a choice to write on the pages vertically or horizontally, and still having the guidance of a line; large notebook. 8.5 x 11 107 pages

[Paper Or Plastic](#) Jun 30 2023 The deceptively simple supermarket choice echoed in the title symbolizes the dilemma of a society on a collision course with the planet's life-support systems. About one-third of America's municipal solid waste is packaging—at least 300 pounds per person each year—and the "upstream" costs in energy and resources used to make packaging are even more alarming. In this fascinating and timely book, author Daniel Imhoff unwraps the packaging problem and gives consumers, product designers, and policymakers the information they need to take steps toward a more sustainable future.

Paper Wings Nov 11 2021 PAPER WINGS introduces an unforgettable young woman in the coming of age novel that recalls the beauty and truth of TO KILL A MOCKING BIRD. With clarity and guts, Suzanne, the youngest, has the courage to face up to the reality of her mum's unhappy life, and the dark secret at its heart. In a novel that both funny and painful Suzanne tells it how it is, with a warmth and clarity that will leave no-one unmoved.
