Are We There Yet? Dec 26 2022 An entertaining cultural history of the American family vacation during the height of its popularity from 1945 to 1973. Reveals the ways in which the ritual of the family road trip, for most middle-class Americans became a way of defining what it meant to be (and become) American.

Are We There Yet? Aug 02 2023 Take a trip to Italy in this "introspective, moving, and honest" (Publishers Weekly) novel by bestselling author David Levithan (Every Day; Will Grayson, Will Grayson with John Green) in which fledgling family bonds are threatened by new love. Sixteen-year-old Elijah is completely mellow and his 23-year-old brother Danny is completely not, so it's no wonder they can barely tolerate one another. So what better way to repair their broken relationship than to trick them into taking a trip to Italy together? Soon, though, their parents' perfect solution has become Danny and Elijah's nightmare as they're forced to spend countless hours together. But then Elijah meets Julia, and soon the brothers aren't together nearly as much. And when Julia suddenly decides that maybe it's Danny she's really interested in, Danny has a decision to make: does he honor his relationship with the brother he thinks hates him, or does he follow his heart, which sorely needs some repairing of its own? Elijah and Danny don't think they have anything in common except their parents. Danny thinks Elijah is a lazy, slacking, clueless dreamer who doesn't know how to make a living. Elijah thinks Danny is a workaholic, stuck-up, soulless drone who doesn't know how to make a life. Yes, they're brothers. Then their parents trick them into taking a trip to Italy together. Nine days of escape. Nine days of somewhere else. Elijah and Danny aren't sure it's going to work. Until they each meet a girl—the same girl. Julia. And nothing will ever be the same again. AN ALA BEST BOOK FOR YOUNG ADULTS

Are We There Yet: Have MFAs Realized the Potential of Digital Diplomacy? Apr 05 2021 Despite growing interest in digital diplomacy, few studies to date have evaluated the extent to which foreign ministries have been able to realize its potential. Studies have also neglected to understand the manner in which diplomats define digital diplomacy and envision its practice. This article explores the digital diplomacy model employed by four foreign ministries through interviews and questionnaires with practitioners.

Mickey Mouse Clubhouse Are We There Yet? Oct 31 2020 "Are we there yet?" – the question is familiar to both preschoolers and their parents! In this road story, Mickey and his Clubhouse pals find that every delay, backtracking, or distraction is not necessarily a bad thing when you're on the road to learning. In this simple Ready-to-Read story, children can predict repeated words and phrases and gain confidence in their ability to read aloud.

Why Aren't We There Yet? May 31 2023 Co-published with *Despite* seeming endless debate and public attention given to the issue for several decades, those committed to creating welcoming and engaging campus environments for all students recognize that there is considerably more work to be done, and ask "Why aren't we there yet, and when will we be done?" While our campuses have evolved from being exclusionary and intolerant, and publicly espouse the objectives of being welcoming, accepting, affirming, and engaging, the data on admissions, retention, and graduation clearly indicate that these goals have not been achieved. The contributors to this book seek to offer new insights to improve student affairs, emphasizing action that recognizes this is a complex and multi-faceted process, and beginning with the assertion that, without recognizing the influences of privilege and inequality, we educators cannot promote truly welcoming environments. This book focuses on guiding individuals and groups through learning how to have difficult conversations that lead us to act to create more just campuses, and provides illustrations of multiple ways to respond to difficult situations. It advocates for engaging in fruitful dialogues regarding differing social identities including race, ethnicity, religion, gender, and sexual orientation, to lead readers through a process that advocates for justice, and for taking personal responsibility for contributing to the solution. The book is framed around the five elements of the process of engaging in difficult conversations that not only advocate for change but also create change: self knowledge, knowledge of and experiences with others, understanding historical and institutional contexts, understanding how to change the status quo, and transformative action.

Are We There Yet? Apr 29 2023 How do we respond to sexual brokenness in Truth and Love? How is homosexuality different than other struggles? Is simply having Same Sex attraction sinful? How do we as the Church walk alongside those with sexual identity struggles? Is the answer always a hard "NO" if I am invited to a Gay Wedding? Drew surrendered his broken sexuality to the Lordship of Christ in 1996, leaving behind a homosexual relationship. He chose to trust Christ with his future, believing that the Word of God was trustworthy, and that Christ would be faithful to give him a life worth living outside of a homosexual identity or relationship. This surrender began a process of transformation and healing confronting the issues of same sex attraction and overall relational dysfunction in his life. Drew takes the lessons he has learned in his own journey of transformation, as well as two decades of experience walking alongside those who struggle with their sexuality, and those in the LGBTQ community, to address these questions with pastoral insight, spiritual depth, humor, and practical wisdom.

Are We Nearly There Yet? Jul 09 2021 If you think writing a guidebook is easy, think again... They were bored, broke, burned out and turning 40, so when Ben and Dinah saw the advert looking for a husband and wife team with young kids to write a guidebook about family travel around Britain, they jumped at the chance. With naïve visions of staring moodily across Coniston Water and savouring Cornish pasties, they embark on a mad-cap five-month trip with daughter Phoebe, four, and son Charlie, two, embracing the freedom of the open road with a spirit of discovery and an industrial supply of baby wipes.

Are We There Yet? Nov 12 2021 "Turning to face north, face the north, we enter our own unconscious. Always, in retrospect, the journey north has the quality of dream." Margaret Atwood, "True North" In this interdisciplinary collection, sixteen scholars from twelve countries explore the notion of the North as a realm of the supernatural. This region has long been associated with sorcerous inhabitants, mythical tribes, metaphysical forces of good and evil, and a range of supernatural qualities. It was both the sacred abode of the gods and a feared source of menacing invaders and otherworldly beings. Whether from the perspective of traditional Jewish lore or of contemporary black metal music, few motifs in European cultural history show such longevity and broad appeal. Contributors: Eleanor Rosamund Barraclough, Angela Byrne, Danielle Marie Cudmore, Stefan Donecker, Brenda S. Gardenour Walter, Silvije Habulinec, Erica Hill, Jay Johnston, Maria Kasyanova, Jan Leichsenring, Shane McCorristine, Jennifer E. Michaels, Ya'acov Sarig, Rudolf Simek, Athanasios Votsis, Brian Walter

The journey to Gran and Grandad's seems endless when Dad keeps having to drive back home for the rest of the family to collect things that they have left behind. And just as he is about to completely lose patience, Dad realizes that HE has forgotten something very important indeed! Children will delight in poring over the detailed illustrations in this

hilarious story.

The Adventures of Beekle: The Unimaginary Friend Feb 01 2021 Dan Santat's Caldecott Medal-winning *The Adventures of Beekle: The Unimaginary Friend* is a humorous and thoughtful celebration of friends. This magical story begins on an island far away where an imaginary friend is born. He patiently waits his turn to be chosen by a real child, but when he is overlooked time and again, he sets off on an incredible journey to the bustling city, where he finally meets his perfect match and—at long last—is given his special name: Beekle. The #1 New York Times bestselling and award-winning author and illustrator Dan Santat—creator of *After the Fall* and *Are We There Yet?*—combines classic storytelling with breathtaking art in an unforgettable tale about friendship, imagination, and the courage to find one's place in the world.

A World at Total War Aug 29 2020 This volume presents the results of a conference on the history of total war.

When We Say Black Lives Matter May 07 2021 In a powerful, poetic missive, award-winning author-illustrator Maxine Beneba Clarke celebrates the meaning behind the words Black Lives Matter. Little one, when we say Black Lives Matter, we're saying Black people are wonderful-strong. That we deserve to be treated with basic respect, and that history's done us wrong. . . . Darling, when we sing that Black Lives Matter, and we're dancing through the streets, we're saying: fear will not destroy our joy, defiance in our feet. In this joyful exploration of the Black Lives Matter motto, a loving narrator relays to a young Black child the strength and resonance behind the words. In family life, through school and beyond, the refrains echo and gain in power, among vignettes of protests and scenes of ancestors creating music on djembe drums. With deeply saturated illustrations rendered in jewel tones, Maxine Beneba Clarke offers a gorgeous, moving, and essential picture book.

Dear God Are We There Yet? Dec 02 2020

Are We There Yet? Jul 21 2022 Digital transformation across the public sector has stalled. After over 25 years of considerable time, money, and effort at national, state, and local levels, we're still not 'there' yet. The reason is that successive waves of investment in digital transformation have focused largely on improving the transactional functions and activities of government. They have failed to embrace a bigger challenge - the need for governing and government to rethink a new 'theory of the business' - which that same revolution has caused and to which it is an inescapable part of the answer. This is a unique, timely, and distinctly Australian look at a global phenomenon by two 'reflective practitioners'. Their personal and practical experience of digital transformation in government and the public sector in Australia suggests it is a story missing half its plot. Packed full of insights from government and digital leaders from around Australia and across the world, this is a much-needed practical guide for public servants and leaders in any jurisdiction. It contains insights and ideas about the way digital technologies, and their associated tools, platforms, and cultures, are changing the business of governing and the design and delivery of public policy and services. "Are We There Yet? lucidly diagnoses how digital technologies, including AI and big data, are transforming the role of the public servant and the project of governance itself. Stewart-Weeks and Cooper describe the important shift from power to problem-solving and explain how to harness digital transformation to make government work better for all of us." - Beth Noveck, author of *Wiki Government*, former Deputy Chief Technology Officer in the Obama White House, Professor in Technology, Culture & Society, New York University and Chief Innovation Officer for New Jersey "I've read a lot about the potential impact of digital technology on public services . . . this is the first book to persuade me that the power of digital, properly conceived, really can transform the nature of democratic governance." - Professor Peter Shergold AC, Chancellor, Western Sydney University, Former Secretary, Department of Prime Minister and Cabinet

Are We There Yet? Jun 27 2020 Have husband, will travel: what it's really like to be married to a war reporter.

Are We There Yet?: The American Automobile Past, Present, and Driverless Feb 25 2023 Tech giants and automakers have been teaching robots to drive. Robot-controlled cars have already logged millions of miles. These technological marvels promise cleaner air, smoother traffic, and tens of thousands of lives saved. But even if robots turn into responsible drivers, are we ready to be a nation of passengers? In *Are We There Yet?*, Dan Albert combines historical scholarship with personal narrative to explore how car culture has suffused America's DNA. The plain, old-fashioned, human-driven car built our economy, won our wars, and shaped our democratic creed as it moved us about. Driver's ed made teenagers into citizens; auto repair made boys into men. Crusades against the automobile are nothing new. Its arrival sparked battles over street space, pitting the masses against the millionaires who terrorized pedestrians. When the masses got cars of their own, they learned to love driving too. During World War II, Washington nationalized Detroit and postwar Americans embraced car and country as if they were one. Then came 1960s environmentalism and the energy crises of the 1970s. Many predicted, even welcomed, the death of the automobile. But many more rose to its defense. They embraced trucker culture and took to Citizen Band radios, demanding enough gas to keep their big boats afloat. Since the 1980s, the car culture has triumphed and we now drive more miles than ever before. Have we reached the end of the road this time? Fewer young people are learning to drive. Ride hailing is replacing car buying, and with electrification a long and noble tradition of amateur car repair—to say nothing of the visceral sound of gasoline exploding inside a big V8—will come to an end. When a robot takes over the driver's seat, what's to become of us? *Are We There Yet?* carries us from muddy tracks to superhighways, from horseless buggies to driverless electric vehicles. Like any good road trip, it's an adventure so fun you don't even notice how much you've learned along the way.

Are We There Yet? Oct 04 2023 Travel around Australia without leaving home! From much-loved children's author Alison Lester comes this gift set containing the classic picture book, a 200-piece jigsaw puzzle and a pack of specially designed playing cards. The Book The year I turned eight, Mum and Dad took us on a trip around Australia. Luke, Billy and I missed school for the whole winter term. Join Grace and her family on their adventurous and sometimes funny expedition. A warm, heartfelt story based on an actual journey undertaken by the much-loved, award-winning author and illustrator, Alison Lester.

Are We Nearly There Yet? Feb 13 2022 Escape on a round-the-world trip with Lucy Vine's hilarious novel about FOMO, #findingthefun and losing yourself - longlisted for the Comedy Women in Print Prize 2020 'Made me scream laughing. I enjoyed it SO much' Marian Keyes 'Have you ever messed up so badly you had to leave the country? This feelgood journey contains one of the best vagina jokes ever. We didn't want it to end' Heat Magazine Alice is turning thirty and is stuck in a rut. Her friends are all coupling up and settling down, while she's still working as a temp, trying (and failing) not to shag her terrible ex, getting thrown out of clubs, and accidentally sexting her boss... She decides to throw caution to the wind and jets off on a round-the-world adventure to #FindTheFun and find herself. Of course, she's no more likely to find the answer to true happiness on the beach in Thailand than she is at the electric beach in Tooting, but at least in Thailand there's paddleboard yoga. Can Alice find happiness on her travels? Or is she more likely to lose herself all over again...? 'Really, really funny, but also kind of heart wrenching' Sophie Kinsella 'Hilarious and touching' Louise O'Neill 'Warning: read this book and you will doubtless snort with laughter in inappropriate public places. Quite simply, #brilliant' Ella Dove 'Her best work yet: it's funnier, it's more tender . . . You need to have this in your beach bag' Laura Jane Williams 'I tore through this quicker than a duty-free Toblerone . . . Wickedly funny and painfully perceptive' Lauren Bravo 'Utterly addictive and utterly charming...her best yet' Daisy Buchanan 'A bawdy breath of fresh air' Sunday Mirror

Are We There Yet? Jun 07 2021 'Are We There Yet?' is a collection of 53 children's poems based around summer. The book is written by experienced UK poet, George Stanworth. George has previously had a snooker poem read out on BBC TV to world champion Mark Williams, and has received social media praise from Ben Shepherd, Stephen Hendry and Matt Le Tissier. Titles include 'Disney Days', 'I Think I Need A Wee-Wee', 'Crabs Are Experts Brushing Teeth', 'Stop That Lollipop!', 'I Saw A Mermaid On The Beach' and 'A Seagull Ate My Fish And Chips'. George's previous publications include 'Moo Moo The Doodle!', 'Don't Trick Or Treat A Lion - Halloween Poems' and 'Christmas Poems For Children.'

Are We There Yet? Mar 17 2022 "Are we there yet?" Zoe has read every book, listened to every tape, and put together every puzzle. Will this long car trip ever be over? Don't worry, Zoe -- there's an amusement park at the end of the ride!

"Are We There Yet?" Sep 10 2021 More Than Fifty Fun-filled Games For The Fast Lane! This charmingly illustrated book of travel games will instantly become a part of every parent's emergency survival kit and every child's backpack. Whether you're crossing town in the car, the ocean in a plane, or taking the train or bus to Grandma's, "Are We There Yet?" is sure to make the trip a smooth fide. Playing requires nothing more than a pencil and paper and a quick eye for out letters, numbers, signs, or clues from the vehicles, sights, and scenes around fun for children ages six to sixty and are the perfect answer to that eternal "Are we there yet?" Don't leave home without this book!

Our Table Jan 03 2021 Creative visionary of *The Word Collector*, *Happy Dreamer*, and *The Dot*, #1 New York Times bestseller Peter H. Reynolds creates a tender, lyrical story of multigenerational love, tradition, and family coming together with gratitude and thanks. An Amazon Best Children's Book of 2021 Celebrated, bestselling creator Peter H. Reynolds brings his signature touch of love and kindness to this special, timely picture book, as families now, more than ever, are rediscovering and reevaluating what means the most: time together with one another. Violet longs for the time when her family was connected: before life, distractions, and technology pulled them all away from each other. They used to gather at the table, with food and love, to make memories, share their lives, and revel in time spent together. But now her family has been drifting apart, and with nobody to gather around it, the table grows smaller and smaller. Can Violet remind her family of the warmth of time spent together, and gather around the table once more? A mystical fable that feels at once timeless and utterly of the present moment, *Our Table* is renowned, bestselling creator Peter H. Reynolds at his best. Exquisite, expressive watercolor tells a tender story, growing from monochrome into luscious, joyful color as Violet's family is reunited around the beloved table. An ode to traditions that unite families, *Our Table* brings readers together with a universal message of gratitude.

Are We There Yet? Nov 05 2023 Caldecott Medalist Dan Santat—creator of *The Adventures of Beekle: The Unimaginary Friend* and *After the Fall*—takes readers on the road trip of a lifetime! "Are we there yet?" Every parent has heard this classic kid question on a long car ride—and after reading this astonishingly inventive new book (that even turns upside down for several pages!), you'll never look at being bored the same way again. Let's face it: everyone knows that car rides can be boring. And when things get boring, time slows down. In this book, a boy feels time slowing down so much that it starts going backward—into the time of pirates! Of princesses! Of dinosaurs! The boy was just trying to get to his grandmother's birthday party, but instead he's traveling through Ancient Egypt and rubbing shoulders with Ben Franklin. When time flies, who knows where—or when—he'll end up.

God, Are We There Yet? Jul 29 2020 When you're tired of merely trying to survive your life journey and are ready to finally get somewhere—this is the book you need! "Are we there yet?" How many times did you ask your mom or dad that

question—usually from the back seat of the car on a road trip with endless twists and turns? Well, for some of us, times haven't really changed that much. Only now we find ourselves asking our heavenly father, God, are we there yet? Will the construction detours end? Why can't I take the scenic route? Gently drawing upon the life journey metaphor, author, pastor, and counselor Robert Stofel touches our hearts and minds as he points us toward practical, easy-to-follow instructions that lead us to God's ultimate, satisfying direction for our lives. The journey of a lifetime begins with the question, "God, are we there yet?" Includes a readers' guide for personal reflection or group study.

Are We There Yet, Daddy? Mar 29 2023 On a hundred-mile car trip to Grandma's house, a father and son travel from the city to the country. Every ten miles the son asks, "Are we there yet, Daddy?" and is told to consult the map. A gatefold map, as well as a map on each page, will allow young readers to follow the father and son's route and to count down the miles left in their journey.

Rafi and Rosi: Carnival! Mar 05 2021 Two Latin American tree frogs, mischievous Rafi and his younger sister Rosi, enjoy the events of Puerto Rico's Carnival season.

Are We There Yet? Sep 03 2023 "A breezy yet affecting read filled with struggle and hope."—People A Good Day LA Pick Among fake Instagram pages, long-buried family secrets, and the horrors of middle school, one suburban mom searches to find herself. Alice Sullivan feels like she's finally found her groove in middle age, but it only takes one moment for her perfectly curated life to unravel. On the same day she learns her daughter is struggling in second grade, a call from her son's school accusing him of bullying throws Alice into a tailspin. When it comes to light that the incident is part of a new behavior pattern for her son, one complete with fake social media profiles with a lot of questionable content, Alice's social standing is quickly eroded to one of "those moms" who can't control her kids. Soon she's facing the very judgement she was all too happy to dole out when she thought no one was looking (or when she thought her house wasn't made of glass). Then her mother unloads a family secret she's kept for more than thirty years, and Alice's entire perception of herself is shattered. As her son's new reputation polarizes her friendships and her family buzzes with the ramification of her mother's choices, Alice realizes that she's been too focused on measuring her success and happiness by everyone else's standards. Now, with all her shortcomings laid bare, she'll have to figure out to whom to turn for help and decide who she really wants to be.

Am I There Yet? Nov 24 2022 NEW YORK TIMES BESTSELLER • This on-point guide to growing up by Instagram sensation Mari Andrew features "achingly vulnerable and completely relatable watercolor illustrations about relationships, heartbreak and the struggles of urban life" (The Washington Post). In the journey toward adulthood, it is easy to find yourself treading the path of those who came before you; the path often appears straight and narrow, with a few bumps in the road and a little scenery to keep you inspired. But what if you don't want to walk a worn path? What if you want to wander? What if there is no map to guide you through the detours life throws your way? From creating a home in a new city to understanding the link between a good hair dryer and good self-esteem to dealing with the depths of heartache and loss, these tales of the twentysomething document a road less traveled—a road that sometimes is just the way you're meant to go. Praise for Am I There Yet? "Equal parts memoir and illustrated guidebook, it chronicles Andrew's journey through adulthood as she navigates love and heartbreak, professional indecision and success, and personal struggles."—Refinery29 "Using her artistic skills to illustrate thought-provoking essays, Andrew inspires readers to take the path less traveled in life."—CNN "The illustrations . . . are often packed with truths about dating, self-care, careers, and all the secret thoughts you never say out loud."—Elle "This uplifting book is filled with essays and illustrations that will fill you with so much hope as you move forward with any big life change."—Bustle "Her illustrations will resonate with anyone who has ever had a crush, went on a date, or felt the sting of heartbreak."—The Independent

Grumpy Monkey Are We There Yet? Aug 22 2022 In this original board book that tackles a common toddler problem, the bestselling character finds that waiting is never easy, but sometimes it is necessary. Jim Panzee is faced with something everyone hates... waiting...and waiting...and more waiting. Jim tries to be patient but he's even impatient waiting for patience. It doesn't happen right away, but eventually, Jim realizes that some things are worth waiting for. A simple text and humorous artwork offer parents the perfect funny book to help their toddler with waiting, even when they really don't want to.

Are We There, Yeti? Sep 22 2022 When Bigfoot is driving the bus, a field trip can feel legendarily long...but the best surprise of all is yeti to come! When Yeti, the school bus driver, takes the class on a surprise trip, everyone wants to know: "Are we there, Yeti?" And when they finally arrive, a new adventure is in store! Told with simple text and delightful illustrations, Ashlyn Anstee's debut picture book presents a fun, new take on a timeless question.
