At nineteen, Ashley Fiolek is already the top female competitor in a tough men's sport: motocross, a form of off-road motorcycle racing that is one of the most competitive and dangerous extreme sports in the world. Since going pro in late 2007, Fiolek has taken gold at the X Games, won the American Women's Motocross Championship twice, and become the first woman in American motocross history to be signed to a factory team—the highest echelon of industry backing. But Fiolek's rise has not come without obstacles. Fiolek was born profoundly deaf, a handicap that makes everyday life difficult—and competition on the track downright dangerous. Originally misdiagnosed as "mildly retarded," she was a painfully shy and introverted child—until her parents introduced her to the world of dirt bikes, which helped her escape the silence in her head and connect with others who shared her passion. She began racing at seven, and as her successes grew through hard work and no small number of broken bones, so did her confidence. Fiolek has never believed her disability should stand in the way of her dreams. Nor has she allowed her gender to limit her career—motocross historically has been a men's sport, but with the love and support of her dirt-obsessed family, including her "Grandpa Motorcycle," her little brother, Kicker, and

her dogs, Turbo and Rocco, Ashley has emerged as one of the sport's most talked-about stars, changing the way the entire industry views women. Armed with her extraordinary talent, contagious grin, and deep faith in God, Fiolek continues to venture into unknown territory, relentlessly pushing herself—and women's motocross—to ever-greater heights. *Kicking Up Dirt* is a remarkable, inspiring tale of a young woman's courage and determination to succeed in the face of truly challenging obstacles. From the acclaimed biographer of Jane Jacobs and Srinivasa Ramanujan comes the first full life and work of arguably the most influential classical scholar of the twentieth century, who overturned long-entrenched notions of ancient epic poetry and enlarged the very idea of literature. In this literary detective story, Robert Kanigel gives us a long overdue portrait of an Oakland druggist's son who became known as the "Darwin of Homeric studies." So thoroughly did Milman Parry change our thinking about the origins of Homer's *Iliad* and *Odyssey* that scholars today refer to a "before" Parry and an "after." Kanigel describes the "before," when centuries of readers, all the way up until Parry's trailblazing work in the 1930's, assumed that the Homeric epics were "written" texts, the way we think of most literature; and the "after" that we now live in, where we take it for granted that they are the result of a long and winding oral tradition. Parry made it his life's work to develop and prove this revolutionary theory, and Kanigel brilliantly tells his remarkable story--cut short by Parry's mysterious death by gunshot wound at the age of thirty-three. From UC Berkeley to the Sorbonne to

Harvard to Yugoslavia--where he traveled to prove his idea definitively by studying its traditional singers of heroic poetry--we follow Parry on his idiosyncratic journey, observing just how his early notions blossomed into a full-fledged theory. Kanigel gives us an intimate portrait of Parry's marriage to Marian Thanouser and their struggles as young parents in Paris, and explores the mystery surrounding Parry's tragic death at the Palms Hotel in Los Angeles. Tracing Parry's legacy to the modern day, Kanigel explores how what began as a way to understand the Homeric epics became the new field of "oral theory," which today illuminates everything from Beowulf to jazz improvisation, from the Old Testament to hip-hop. Manners start with a smile—then you add the words. There are polite words to use when you greet someone, ask for something, or (oops!) make a mistake. There's even a nice way to say no. This book gives toddlers a head start on manners, setting the stage for social skills that will last a lifetime. Includes tips for parents and caregivers. Healing America's real crack problem--one but at a time--Kicking the BIG BUT Syndrome is a humorous guide offering hi-frequency tools to amplify your love, money and career. Laugh your but off! Set in the London and New York underground culture's of the '70s and '80s, Kicking tracks the adventures of a group of close friends through the ambiguous pleasures and dangers of those years. Connie West's attachment to Mikey Stour begins one Sunday... 'Rockin' Las Americas' explores the production, dissemination, & consumption of rock music throughout the Caribbean, Mexico, Central & South America, as well as among

Latinos in the U.S. The contributors consider how rock has influenced Latin/Latino culture & how it relates to social issues in the region. Children learn boundaries and safety when using screens, and fun things to do when screens are off. As important as screens are in our lives, we all need to unplug, especially children. This reassuring picture book offers children and families a starting point for limiting screen time and making the most of the time you have with your screens and without. While screens can be helpful and fun, they are not intended for use all the time. The American Academy of Pediatrics recommends consistent limits on screen time for children, and adults should take steps to ensure online safety for kids. With straightforward suggestions, children will learn valuable information about online safety, setting healthy screen-time boundaries, and the importance of screen-free time. With her trademark mix of empathy and encouragement, author Elizabeth Verdick offers appealing and healthy alternatives to using screens, as well as ways to stay safe and happy when online. Illustrator Marieka Heinlen's active and vibrant illustrations of young children interacting with their caregivers and families bring the activities and suggestions for screen-free fun to life. A section for adults at the end of the book includes informati(more...) This is a practical Handbook for beginning youth Football coaches, and parents. It has 164 individual pictures and illustration variations to look at. All the skill activities and drills are numbered for easy reference between coaches and parents. Complete with diagram, illustration, and explanation for each one. It covers all the fundamentals you

will need to get started in youth football. It also has training games to play, and many plays to run to get your team started. An intimate, coming-of-age memoir by legendary guitarist Kid Congo Powers, detailing his experiences as a young, queer Mexican-American in 1970s Los Angeles through his rise in the glam rock and punk rock scenes. Kid Congo Powers has been described as a “legendary guitarist and paragon of cool” with “the greatest resume ever of anyone in rock music.” That unique imprint on rock history stems from being a member of not one but three beloved, groundbreaking, and influential groups—Nick Cave and the Bad Seeds, the Cramps, and last but not least, The Gun Club, the wildly inventive punk-blues band he co-founded. *Some New Kind of Kick* begins as an intimate coming of age tale, of a young, queer, Chicano kid, growing up in a suburb east of East LA, in the mid-‘70s, exploring his sexual identity through glam rock. When a devastating personal tragedy crushes his teenage dreams, he finds solace and community through fandom, as founder (‘The Prez’) of the Ramones West Coast fan club, and immerses himself in the delinquent chaos of the early LA punk scene. A chance encounter with another superfan, in the line outside the Whiskey-A-Go-Go to get into a Pere Ubu concert, changes the course of his life entirely. Jeffrey Lee Pierce, a misfit Chicano punk who runs the Blondie fan club, proposes they form a band. The Gun Club is born. So begins an unlikely transition from adoring fan to lauded performer. In Pierce, he finds brotherhood, a creative voice, and a common cause, but also a shared appetite for self-destruction that threatens to overwhelm them both.

Quirky, droll, and heartfelt, with a pitch-perfect evocation of time and place, and a wealth of richly-drawn supporting characters, *Some New Kind of Kick* is a memoir of personal transformation, addiction and recovery, friendship and belonging, set against the relentless creativity and excess of the '70s and '80s underground music scenes. Learn how to build a personal kicking system for competition and self-defence from two members of the Black Belt Hall of Fame, George Chung, a taekwondo stylist, and Cynthia Rothrock, an expert in northern Shaolin kung fu, as they demonstrate the impeccable kicking skills that made them tournament kata champions. In the third book of this highly illustrated middle grade series from the nationally syndicated cartoonist of "In the Bleachers," Steve takes one for the benchwarmers to play his least favorite sport. Perfect for fans of *Timmy Failure* and *Diary of a Wimpy Kid*, *King of the Bench* is an ode to teammates, underdogs, and benchwarmers everywhere. Steve is King of the Bench. No brag. It's just a fact. But this season, his soccer-loving pals Joey and Carlos—plus soccer superstar Becky O'Callahan—are dragging him off the bench to play for the Spiro T. Agnew JV soccer team, even though soccer doesn't exactly fry his burger. Will Steve's epic and hilarious weekend at an away tournament leave him hating soccer more than ever? Or will he finally discover what all the kicking and screaming is about? Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what

they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities. **THE NEXT BOOK IN THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED THE SECOND SEASON OF THE HIT STREAMING SERIES REACHER** "Electrifying . . . this series [is] utterly addictive."—Janet Maslin, *The New York Times* From a helicopter high above the California desert, a man is sent free-falling into the night. On the streets of Portland, Jack Reacher is pulled out of his wandering life and plunged into the heart of a conspiracy that is killing old friends . . . and the people he once trusted with his life. Reacher is the ultimate loner—no phone, no ties, no address. But a woman from his old military unit has found him using a signal only the eight members of their elite team would know. Then she tells him a terrifying story about the brutal death of a man they both served with. Soon Reacher is reuniting with the survivors of his team, scrambling to unravel the sudden disappearance of two other comrades. But Reacher won't give up—because in a world of bad luck and trouble, when someone targets Jack Reacher and his team, they'd better be ready for what comes right back at them. Longlisted for the National Book Award for Fiction: Blending domestic thriller and psychological horror, this compelling page-turner follows a mother fleeing her estranged husband. Lydia Millet's previous work has been shortlisted for the

Pulitzer Prize, the National Book Critics Circle Award, and the Los Angeles Times Book Prize. Likewise greeted with rapturous praise, *Sweet Lamb of Heaven* is a first-person account of a young mother, Anna, fleeing her cold and unfaithful husband, a businessman who's just launched his first campaign for political office. When Ned chases Anna and their six-year-old daughter from Alaska to Maine, the two go into hiding in a run-down motel on the coast. But the longer they stay, the less the guests in the dingy motel look like typical tourists—and the less Ned resembles a typical candidate. As his pursuit of Anna and their child moves from threatening to criminal, Ned begins to alter his wife's world in ways she never could have imagined. A double-edged and satisfying story with a strong female protagonist, a thrilling plot, and a creeping sense of the apocalyptic, *Sweet Lamb of Heaven* builds to a shattering ending with profound implications for its characters—and for all of us.

This colourful and positive book explains why it's good to 'go green'! It's Anjali's birthday party and the children have had a great time. But looking around the room at the end, they see mountains of rubbish, from food waste to wrapping paper, burst balloons and small plastic toys. What will happen to all of this waste? The children find out what happens at a recycling centre and about the huge amount of objects that can be recycled or reused. They learn how to take action outside by helping nature, reducing waste at school dinners, and saving energy and water at home. Through chatting to teachers and local people, the children learn all about green topics such as landfills, litter, plastic mountains in oceans and

global warming. But it's not all doom and gloom. They discover that there are ways that they can take action to help save their environment and the planet. By walking to school or switching off lights when they don't need them, this book is full of ideas for reducing and reusing. At the end they hold a fun Eco Festival to raise awareness of how easy it is to 'go green'! 'Stop and Think' panels encourage readers to think about the problem in their local area and 'Take Action' panels give advice for how readers can get involved. Look out for the other titles in this series: Wild Weather!, Save the Seas! and Nature Needs You! Great for teaching children age 7+ about science topics including pollution, global warming, natural resources and energy use. With the newest paperback addition to the Best Behavior® series, children develop strategies to make waiting less frustrating and learn that patience is a virtue. Children are often waiting—for the school bus, their turn on the slide, or their birthday—and waiting can be frustrating! But learning to be patient and developing self-control will equip children with tools for success in school and in social settings. With vivid illustrations and simple strategies, this reassuring book helps children learn to delay gratification and make waiting more fun without relying on electronics. With her trademark mix of empathy and encouragement, author Elizabeth Verdick provides activities and ideas for children—like observing the world around them, inventing new games, and anticipating what's to come—that can be adapted for any situation. In this addition to the best-selling Best Behavior series, children will learn how to avoid boredom and replace whining words

with waiting words: “This will be worth the wait!” A section for adults includes tips and activities to foster patience in children. Best Behavior® Series The Best Behavior® series uses simple words a(more...) “Thompson captures the ache, fizz, yearning and frustration of being the father of adolescent boys.” —Michael Chabon “What a riveting, touching, and painful read!” —Maria Semple “Fun, moving, raw, and relatable.” —Tony Hawk What makes a good father, and what makes one a failure? Does less-is-more parenting inspire independence and strength, or does it encourage defiance and trouble? Kickflip Boys is the story of a father’s struggle to understand his willful skateboarder sons, challengers of authority and convention, to accept his role as a vulnerable “skate dad,” and to confront his fears that the boys are destined for an unconventional and potentially fraught future. With searing honesty, Neal Thompson traces his sons’ progression through all the stages of skateboarding: splurging on skate shoes and boards, having run-ins with security guards, skipping classes and defying teachers, painting graffiti, drinking and smoking, and more. As the story veers from funny to treacherous and back, from skateparks to the streets, Thompson must confront his complicity and fallibility. He also reflects on his upbringing in rural New Jersey, and his own adventures with skateboards, drugs, danger, and defiance. A story of thrill-seeking teens, of hope and love, freedom and failure, Kickflip Boys reveals a sport and a community that have become a refuge for adolescent boys who don’t fit in. Ultimately, it’s the survival story of a loving modern American family, of acceptance,

forgiveness, and letting go. This is a hilarious must-read for anyone intrigued by Las Vegas nightlife or the real lives of the unique people who truly make Sin City tick. From street magician to strip-club restroom attendant, from casino executive to oyster shucker, "stunt journalist" Rick Lax turned his hand to several distinctly unique Las Vegas professions on a quest to get inside the skin of Sin City. And now he's spilling the beans on all of it. Rick crashes bizarre only-in-Vegas conventions, throws wild parties, and hangs out with celebrities. He moonlights as a strip-club restroom attendant, a street magician, and a casino executive. And he always takes notes. Now he is ready to share 'em. In this book Lax shines a light on a side of Las Vegas to which, previously, only in-the-know hipsters had access. Fully illustrated and featuring the full-colour photography of Bryan Adams, the book provides a one-of-a-kind view of the most bizarre city on Earth -- a funny and insightful exploration into the real Las Vegas. For many young children, giving up the pacifier is a major milestone. This board book offers warm, comforting words and pictures to ease the transition and make it a positive experience for kids and grown-ups alike. The focus is on minimizing stress and drama, dealing with feelings of loss and frustration, finding fun things to do without a pacifier, and finally being pacifier-free. Includes helpful tips for parents. **GET RID OF YOUR BULLSHIT LIFE AND KICK ASS IS A BOOK LIKE NO OTHER. A BOOK FOR PEOPLE WHO HAVE HAD ENOUGH OF THEIR CURRENT SITUATION AND WANT CHANGE NOW.** In this honest self-help book, part memoir,

Tania Damha shares 30 chapters full of inspiring personal stories, profound advice, easy exercises, encouragement, and shows how to live an insanely happy life while kicking some major ass at the same time. Get rid of your bullshit life and kick ass will help readers: Confront their deepest fears and learn how to overcome them with personal, relatable anecdotes shared from the author. Better their thinking, and learn how to guide negative thoughts into positive ones. Learn to focus like a hawk in a world filled with distractions. Transform setbacks into positive experiences. Conquer resistance and let go of nonsense like a manic warrior “Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling *Hands Are Not for Hitting Board Book*, *Teeth Are Not for Biting* gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers. Looks at the problem of global warming and suggests solutions based on renewable energy sources. The story of Heart is a story of heart and soul and rock ‘n’ roll. Since finding their

love of music and performing as teenagers in Seattle, Washington, Ann Wilson and Nancy Wilson, have been part of the American rock music landscape. From 70s classics like “Magic Man” and “Barracuda” to chart-topping 80s ballads like “Alone,” and all the way up to 2012, when they will release their latest studio album, *Fanatic*, Heart has been thrilling their fans and producing hit after hit. In *Kicking and Dreaming*, the Wilsons recount their story as two sisters who have a shared over three decades on the stage, as songwriters, as musicians, and as the leaders of one of our most beloved rock bands. An intimate, honest, and a uniquely female take on the rock and roll life, readers of bestselling music memoirs like *Life* by Keith Richards and Steven Tyler’s *Does the Noise in My Head Bother You?* will love this quintessential music story finally told from a female perspective. The older children get, the more words they know and can use—including hurtful words. This book teaches children that their words belong to them: They can think before they speak, then choose what to say and how to say it. It also explores positive ways to respond when others use unkind words and reinforces the importance of saying “I’m sorry.” Includes tips for parents and caregivers. “A novel exploration of societal roles, gender, and equality.”

—School Library Journal (starred review) *The Outsiders* meets *Mad Max: Fury Road* in this “daring and dramatic” (Victor LaValle, author of *The Changeling*) dystopian novel about sisterhood and the cruel choices people are forced to make in order to survive. At night, Las Mal Criadas own these streets. Sixteen-year-old Nalah leads the fiercest all-girl crew in

Mega City. That role brings with it violent throwdowns and access to the hottest boydega clubs, but Nala quickly grows weary of her questionable lifestyle. Her dream is to get off the streets and make a home in the exclusive Mega Towers, in which only a chosen few get to live. To make it to the Mega Towers, Nalah must prove her loyalty to the city's benevolent founder and cross the border in a search of the mysterious gang the Ashé Riders. Led by a reluctant guide, Nalah battles crews and her own doubts but the closer she gets to her goal the more she loses sight of everything—and everyone—she cares about. Nalah must choose whether or not she's willing to do the unspeakable to get what she wants. Can she discover that home is not where you live but whom you chose to protect before she loses the family she's created for good? We've all seen it—the nose-picking habit starts as early as the toddler years, and no child is the exception. Young children pick their noses for a variety of reasons, from colds to allergies to curiosity or boredom. This board book for toddlers and preschoolers is the answer to the age-old question “How can I get my child not to pick, especially not in public?” With gentle humor and kid-friendly support, this board book for toddlers and preschoolers helps guide little ones away from nose picking toward healthier habits, like using a tissue and washing their hands. Catchy words help children remember what to do; vibrant full-color illustrations bring the words to life. Throughout, the positive message shines through: noses are for breathing, sniffing, smelling . . . but not for picking! Every parent, caregiver—and toddler—knows the misery that comes with

meltdowns and temper tantrums. Through rhythmic text and warm illustrations, this gentle, reassuring book offers toddlers simple tools to release strong feelings, express them, and calm themselves down. Children learn to use their calm-down place—a quiet space where they can cry, ask for a hug, sing to themselves, be rocked in a grown-up’s arms, talk about feelings, and breathe: “One, two, three . . . I’m calm as can be. I’m taking care of me.” After a break, toddlers will feel like new—and adults will, too. Books include tips for parents and caregivers. Give young children strategies to ease anxieties and worries and feel better again. Everyone feels worried at times, and young children are no exception. Friendly and reassuring, this book geared to preschool and primary children explains what worries are and how it feels to be worried. The book assures children that lots of kids—and grown-ups—feel worried, and that they can learn to make their worries “smaller and smaller and smaller.” Talking about worries, moving around, keeping hands busy, breathing deeply, getting a big hug, and thinking good thoughts are all ways for children to cope with worries. The book includes a special section for parents and caregivers with activities and discussion starters. Best Behavior® Series The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby–preschool, and a longer, more in-depth paperback for ages 4–7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers. An

autobiographical novel of a lesbian nun. The 1951 Los Angeles Rams were one of the greatest teams in professional football history. Led by pioneer owner Daniel Reeves, head coach Joe Stydahar, and future Hall of Famers Bob Waterfield, Norm Van Brocklin, Elroy Hirsch, Tom Fears, and Andy Robustelli, the team won the NFL championship of that season. In doing this, they defeated the defending champion Cleveland Browns in a fantastic rematch of the 1950 title game. The Rams were the first team in a major professional sports league to relocate to the West Coast, forever changing the face of the NFL and professional sports in America. Fueled by an exciting and accomplished lineup of veteran star players and impactful rookies, the product of the Rams' innovative scouting system and their reintegration of the NFL in 1946, the Rams successfully married the NFL to the glamorous world of Hollywood. Delve into the story of the '51 Rams, the NFL's First West Coast Champions. Young children learn that they get lots of chances to try again every day. If pets could talk, what would they say? Maybe “Fur is for petting, backs are for scratching, noses are for nuzzling . . . and tails are not for pulling!” Toddlers and pets belong together—as long as toddlers don’t chase, grab, squeeze, yank, and tease. In simple words and delightful illustrations, this book teaches the basics of kindness to animals: careful handling, awareness, safety, and respect. It also includes helpful tips for parents and caregivers. Sometimes it’s fun to share, and sometimes it’s hard. This book offers toddlers simple choices (take turns, use the toy together, wait for another time) to make sharing

easier, and shows them where to turn for help when sharing is difficult. Little ones learn that sharing can mean double the fun—and sharing a while can make someone smile! Includes tips for parents and caregivers. "Look at those feet! Aren't they sweet?" Yes—when they're walking, standing, leaping and landing. And when they're kicking balls or leaves. But not when they're kicking people! In simple words and charming full-color illustrations, this book helps little ones learn to use their feet for fun, not in anger or frustration. It also includes tips for parents and caregivers on how to help toddlers be sweet with their feet. "You'll never understand America until you've driven Route 66—that's old Route 66—all the way," a truck driver in California once said to author Rick Antonson. "It's the most famous highway in the world." With some determination, grit, and a good sense of direction, one can still find and drive on 90 percent of the original Route 66 today. This travelogue follows Rick and his travel companion Peter along 2,400 miles through eight states from Chicago to Los Angeles as they discover the old Route 66. With surprising and obscure stories about Route 66 personalities like Woody Guthrie, John Steinbeck, Al Capone, Salvador Dali, Dorothea Lange, Cyrus Avery (the Father of Route 66), the Harvey Girls, Mickey Mantle, and Bobby Troup (songwriter of "(Get Your Kicks on) Route 66"), Antonson's fresh perspective reads like an easy drive down a forgotten road: winding, stopping now and then to mingle with the locals and reminisce about times gone by, and then getting stuck in the mud, sucked into its charms. Rick mixes hilarious anecdotes of

happenstance travel with the route's difficult history, its rise and fall in popularity, and above all, its place in legend. The author has committed part of his book's proceeds to the preservation work of the National Route 66 Federation. "Barbara Abercrombie, an author and creative writing instructor at UCLA Extension, offers 365 days' worth of guidance for writers seeking to warm up, stretch, and build creative muscle"--Provided by publisher.
