Answered Prayers Dec 30 2020 Although Truman Capote's last novel was unfinished at the time of his death, its surviving portions offer a devastating group portrait of the high and low society of his time. "Prose that makes the heart sing and the narrative fly." —The New York Times Book Review Tracing the career of a writer of uncertain parentage and omnivorous erotic tastes, Answered Prayers careens from a louche bar in Tangiers to a banquet at La Côte Basque, from literary salons to high-priced whorehouses. It takes in calculating beauties and sadistic husbands along with such real-life supporting characters as Colette, the Duchess of Windsor, Montgomery Clift, and Tallulah Bankhead. Above all, this malevolently finny book displays Capote at his most relentlessly observant and murderously witty.

Mammoth Science Aug 30 2023 David Macaulay's troupe of curious mammoths lead you through the basics of physics, biology, and chemistry in this unconventional and highly original guide to science. From the interior of an atom to the solar system and beyond, the mammoths seek to understand the science! These intrepid science demonstrators will go to incredible lengths to educate and entertain. They wrestle with magnets to understand their powerful force, make mammoth models of different materials explore what gives them mass, and step into an X-ray machine to reveal the bones beneath their woolly exterior. Observing and recording the mammoth's behavior is bestselling illustrator David Macaulay, whose How Machines Work won the Royal Society Young People's Book Prize in 2016. Renowned for his ability to explain complex ideas with simple genius, Macaulay captures the oddball humor of his subject matter, making Macaulay's Mammoth Science the perfect introduction to scientific principles for the young and the young-at-heart.

AMORALMAN Sep 30 2023 Truth and lies are two sides of the same coin. But who's flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world's leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront—and try to understand—his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father's vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. *A M O R A L M A N* is a wildly engaging exploration of the fictions we live as truths. It is ultimately a book about the lies we tell ourselves and the realities we manufacture in others.

Buni Feb 09 2022 Always positive, Buni doesn't understand that the cute world he lives in is usually out to get him. The girl he loves loves someone else. And his best intentions never seem to work. Yet he wakes up each day hopeful. Together with his cynical dad and determined dog, he inhabits a surreal world populated by teddy bears, cupcakes, unicorns, and zombies. With few words, these comics rely on images to tell the story, which is often twisted, sad and funny all at the same time. But more than anything, they show that nothing will keep Buni down. Because true happiness is a state of mind.
