On Bullshit Aug 28 2020 The #1 New York Times bestseller that explains why bullshit is far more dangerous than lying One of the most salient features of our culture is that there is so much bullshit. Everyone knows this. Each of us contributes his share. But we tend to take the situation for granted. Most people are rather confident of their ability to recognize bullshit and to avoid being taken in by it. So the phenomenon has not aroused much deliberate concern. We have no clear understanding of what bullshit is, why there is so much of it, or what functions it serves. And we lack a conscientiously developed appreciation of what it means to us. In other words, as Harry Frankfurt writes, "we have no theory." Frankfurt, one of the world's most influential moral philosophers, attempts to build such a theory here. With his characteristic combination of philosophical acuity, psychological insight, and wry humor, Frankfurt proceeds by exploring how bullshit and the related concept of humbug are distinct from lying. He argues that bullshitters misrepresent themselves to their audience not as liars do, that is, by deliberately making false claims about what is true. In fact, bullshit need not be untrue at all. Rather, bullshitters seek to convey a certain impression of themselves without being concerned about whether anything at all is true. They quietly change the rules governing their end of the conversation so that claims about truth and falsity are irrelevant. Frankfurt concludes that although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the practitioner's capacity to tell the truth in a way that lying does not. Liars at least acknowledge that it matters what is true. By virtue of this, Frankfurt writes, bullshit is a greater enemy of the truth than lies are.

Coherence May 06 2021 Complex times call for clear solutions—If initiative overload and fragmentation are keeping your best plans from becoming reality, it ' s time to start leading differently. The key to bringing about the kind of successful and sustainable change you need is the Coherence Framework, a dynamic, customizable road map made up of four essential components: Focused direction to build collective purpose Cultivating collaborative cultures while clarifying individual and team roles Deepening learning to accelerate improvement and foster innovation Securing accountability from the inside out Coherence provides the insights and tools to drive effective leadership. Now you can gain a deeper understanding of Coherence with The Taking Action Guide to Building Coherence in Schools, Districts, and Systems. Coherence is a book that demands action – it moves from the narrative of fixing one teacher at a time, to asking about the coherence of the system (be it school, national, or world issues). Fullan and Quinn create an important narrative about direction, working together, deepening learning, and securing accountability. The book sparkles with examples of coherence in action, it makes no excuses for employing the wrong levers of change. This is the blueprint for a new vocabulary of education action; it shows where we need to go next, and is another example of Fullan at the top of his game. John Hattie Director, Melbourne Education Research Institute and Author of Visible Learning "School systems that struggle are riddled with incoherence—mismatched strategies, competing cultures, and illogical initiatives. Fullan and Quinn explain clearly how coherence can solve the problem. Based on solid research and lessons drawn from effective practice, Coherence provides a comprehensive model to guide educators as they learn and lead their way to better schools." Van Gogh Landscapes Sep 09 2021 Vincent Van Gogh (1853 – 1890) is often mentioned as one of the best examples of Japonism, Western art inspired by Japanese art. Van Gogh was infatuated with a vision of Japanese art. He experienced this mainly from Japanese woodblock prints which became widely available after Commodore Matthew Perry forced Japan to open with the Convention of Kanagawa in 1854 after abt 250 years of seclusion. Van Gogh and his brother Theo dealt in these prints for a while and Van Gogh's studio was literally plastered with them. Van Gogh's vision of Japan was a mythical fantasy, an ideal for the artist, and he even tried to establish an artist's colony to live out this dream. Japan, on the other hand, and especially the woodblock print artists, were inspired by earlier Dutch engraved prints, which had a profound influence on artists like Katsushika Hokusai from abt 1800. It was from these prints Western perspective entered into Japanese art. In the period from abt 1800 to 1850 Japanese prints evolved with Hokusai's 36 Views of Mt Fuji and became the inspiration that met painters like van Gogh. In a way, what these Western artists saw, was a Japanese mirror of their own processed artistic tradition.

When Technology Fails Jan 14 2022 There's never been a better time to "be prepared." Matthew Stein's comprehensive primer on sustainable living skills--from food and water to shelter and energy to first-aid and crisis-management skills--prepares you to embark on the path toward sustainability. But unlike any other book, Stein not only shows you how to live "green" in seemingly stable times, but to live in the face of potential disasters, lasting days or years, coming in the form of social upheaval, economic meltdown, or environmental catastrophe. *When Technology Fails* covers the gamut. You'll learn how to start a fire and keep warm if you've been left temporarily homeless, as well as the basics of installing a renewable energy system for your home or business. You'll learn how to find and sterilize water in the face of utility failure, as well

as practical information for dealing with water-quality issues even when the public tap water is still flowing. You'll learn alternative techniques for healing equally suited to an era of profit-driven malpractice as to situations of social calamity. Each chapter (a survey of the risks to the status quo; supplies and preparation for short- and long-term emergencies; emergency measures for survival; water; food; shelter; clothing; first aid, low-tech medicine, and healing; energy, heat, and power; metalworking; utensils and storage; low-tech chemistry; and engineering, machines, and materials) offers the same approach, describing skills for self-reliance in good times and bad. Fully revised and expanded--the first edition was written pre-9/11 and pre-Katrina, when few Americans took the risk of social disruption seriously--When Technology Fails ends on a positive, proactive note with a new chapter on "Making the Shift to Sustainability," which offers practical suggestions for changing our world on personal, community and global levels.

Whether you've discipled for years or have no prior training in how to minister to those in need this curriculum holds the answers. Depression, anxiety, outbursts of anger are just a few of the consequences associated with deep heart hurts. Cherie Fresonke uses the story of the Sinful Woman in Luke chapter 7 as the foundation to help heal the brokenhearted in this powerful, life-changing curriculum. This Bible study teaches practical application of God's Word to help set the captives free. Those learning from the pages within will soon discover their fear replaced with strength, depression with joy, anxiety with faith, and rage with rest. Best yet, they will discover what it means to go in peace! The Go in Peace Biblical Discipleship Curriculum is easy to use. Order the Go in Peace Leader's Manual (ISBN: 978-0983167846) for yourself and order the Go in Peace Student Workbook (ISBN: 978-0983167853) for the person you wish to disciple. Then simply read the text out loud from the Leader's Manual as

the one you are discipling follows along in the Student Workbook. Every place the Leader's Manual has a bold/underlined word, the Student Workbook has a blank space. The curriculum was written in this manner to keep the student's attention. By having to fill in the blank the student not only pays attention, but God can speak deeper to his or her heart as the blanks are filled in with thought provoking words. You can also order the book *Go in Peace* (ISBN: 978-0983167815) which is assigned throughout the curriculum as homework, however the homework is optional and is not necessary to complete the curriculum. But it does reinforce the Biblical concepts which are taught in the curriculum. Here are a few words that some have penned after going through the *Go in Peace* Biblical Discipleship Curriculum: "Amazing and life changing!" "Easy to understand and apply!" "Awesome resource!" "Great discipleship tool!" "Highly recommended!" "God blessed my life through it!" "Go in Peace will expose you to yourself!" "I will never be the same again-praises to the Lord!" Note from Cherie about the *Go in Peace* Leader's Manual Men's Edition: I must say that I was surprised to hear from so many men how this curriculum ministered to them. All I can say is: Praise the Lord! As the original flowery cover portrays I never intended to target men as my readers. But obviously God had greater plans! Since my original intent was never to write to men, the pages within this book remains the same as the original *Go in Peace* Leader's Manual, only the cover has been changed. As inspiration for the cover, the Lord kept bringing a sentence to mind that He had me write in the curriculum. "Why do we choose to stand in the prison cell when the door is wide open? Accept the gift . . . go in peace." To learn more visit Cherie's website at: www.cheriefresonke.com.

" —Dr. Sheila Robinson, publisher and CEO, Diversity Woman Media Effective dialogue across different dimensions of diversity, such as race, gender, age, religion, or sexual orientation, fosters a sense of belonging and inclusion, which in turn leads to greater productivity, performance, and innovation. Best yet, they will discover what it means to go in peace! The Go in Peace Biblical Discipleship Curriculum is easy to use. Order the Go in Peace Leader's Manual (ISBN: 978-0983167846) for yourself and order the Go in Peace Student Workbook (ISBN: 978-0983167853) for the person you wish to disciple. Then simply read the text out loud from the Leader's Manual as the one you are discipling follows along in the Student Workbook. Every place the Leader's Manual has a bold/underlined word, the Student Workbook has a blank space. The curriculum was

written in this manner to keep the student's attention. By having to fill in the blank the student not only pays attention, but God can speak deeper to his or her heart as the blanks are filled in with thought provoking words. You can also order the book *Go in Peace* (ISBN: 978-0983167815) which is assigned throughout the curriculum as homework, however the homework is optional and is not necessary to complete the curriculum. But it does reinforces the Biblical concepts which are taught in the curriculum. Here are a few words that some have penned after going through the *Go in Peace* Biblical Discipleship Curriculum: "Amazing and life changing!" "Easy to understand and apply!" "Awesome resource!" "Great discipleship tool!" "Highly recommended!" "God blessed my life through it!" "Go in Peace will expose you to yourself!" "I will never be the same again-praises to the Lord!" Note from Cherie about the *Go in Peace* Leader's Manual Men's Edition: I must say that I was surprised to hear from so many men how this curriculum ministered to them. All I can say is: Praise the Lord! As the original flowery cover portrays I never intended to target men as my readers. But obviously God had greater plans! Since my original intent was never to write to men, the pages within this book remains the same as the original *Go in Peace* Leader's Manual, only the cover has been changed. As inspiration for the cover, the Lord kept bringing a sentence to mind that He had me write in the curriculum. "Why do we choose to stand in the prison cell when the door is wide open? Accept the gift . . . go in peace." To learn more visit Cherie's website at: www.cheriefresonke.com.
