When asked, "Do you believe in grace?" who could say no? Bestselling author and pastor Max Lucado helps us dive deeper into what it means to be changed by grace. God's grace has a drenching about it. A wildness about it. A white-water, riptide, turn-you-upside-downness about it. Grace comes after you. It rewires you. In this book, you will learn: Grace is everything Jesus You belong to Jesus Jesus lives in you You will increasingly grow more like Jesus There is nothing you can do to get grace—grace gets you Grace is the voice that calls us to change and then gives us the power to pull it off. NATIONAL BESTSELLER For more than four hundred years, the art of ballet has stood at the center of Western civilization. Its traditions serve as a record of our past. Lavishly illustrated and beautifully told, Apollo's Angels—the first cultural history of ballet ever written—is a groundbreaking work. From ballet's origins in the Renaissance and the codification of its basic steps and positions under France's

Louis XIV (himself an avid dancer), the art form wound its way through the courts of Europe, from Paris and Milan to Vienna and St. Petersburg. In the twentieth century, émigré dancers taught their art to a generation in the United States and in Western Europe, setting off a new and radical transformation of dance. Jennifer Homans, a historian, critic, and former professional ballerina, wields a knowledge of dance born of dedicated practice. Her admiration and love for the ballet, as Entertainment Weekly notes, brings “a dancer’s grace and sure-footed agility to the page.” NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • LOS ANGELES TIMES • SAN FRANCISCO CHRONICLE • PUBLISHERS WEEKLY

Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism.

Drowning Instinct is a novel of pain, deception, desperation, and love against the odds and the rules. Newly-widowed Grace marries Seth Wyse in order to escape the troubling contents of her late husband's will, but she is slow to trust her new husband and Seth wonders if perhaps their marriage was a mistake. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She

wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. Madelyn is smart for her age, so she's taking classes at community college, earning credits for high school and college simultaneously. Her biology professor is

funny, hot, and oh so interested. She knows that if she told him she's only sixteen, their relationship would be over. So Madelyn makes a simple decision: She won't tell him. It is our Trust in Him that Propels our Hope in Him

Amanda Grace Caldwell is a twenty-something still navigating the post-college years, complete with new jobs, new cities, exorbitant rent, dating-you name it. She shares candidly about all that she and others have learned (for better or worse) about finding contentment in the in-between years. As a professional counselor, Amanda Grace includes counseling tips, exercises, and questions at the end of each chapter for those in the *Meanwhile*. Millennials look toward the future with the utmost optimism. Walking across the stage to receive your diploma is supposed to mean that you have arrived. Life felt relatively easy to navigate up to this point-you've achieved the goals you set. You have a close circle of friends and feel pretty capable to tackle life head-on. Then you face the disappointments that life brings-missed opportunities, lost loves, and the reality of living day to day. The future still looks bright, but... What do you do in the *Meanwhile*? Grace must fight town authorities, tribal officials, and nature itself to find her forest ranger father who went missing while on patrol in the Smokies. She's rescued from danger by Mo, an attractive, mystery man who has her questioning her feelings for her boyfriend while entangling her in a web of conspiracy, deception

and murder. A gripping story of how an entire family, deeply enmeshed in Mormonism for thirty years, found their way out and found faith in Jesus Christ. For thirty years, Lynn Wilder, once a tenured faculty member at Brigham Young University, and her family lived in, loved, and promoted the Mormon Church. Then their son Micah, serving his Mormon mission in Florida, had a revelation: God knew him personally. God loved him. And the Mormon Church did not offer the true gospel. Micah's conversion to Christ put the family in a tailspin. They wondered, Have we believed the wrong thing for decades? If we leave Mormonism, what does this mean for our safety, jobs, and relationships? Is Christianity all that different from Mormonism anyway? As Lynn tells her story of abandoning the deception of Mormonism to receive God's grace, she gives a rare look into Mormon culture, what it means to grow up Mormon, and why the contrasts between Mormonism and Christianity make all the difference in the world. Whether you are in the Mormon Church, are curious about Mormonism, or simply are looking for a gripping story, Unveiling Grace will strengthen your faith in the true God who loves you no matter what. Catherine Whitfield is sure that she will never again be able to trust anyone in the medical profession after the town doctor's excessive bleeding treatments killed her mother. Despite her loneliness and her broken heart, she carries bravely on as Cimarron Creek's dutiful

schoolteacher, resigned to a life without love or family, a life where dreams rarely come true. Austin Goddard is a newcomer to Cimarron Creek. Posing as a rancher, he fled to Texas to protect his daughter from a dangerous criminal. He's managed to keep his past as a surgeon a secret. But when Catherine Whitfield captures his heart, he wonders how long he will be able to keep up the charade. With a deft hand, Amanda Cabot teases out the strands of love, deception, and redemption in this charming tale of dreams deferred and hopes becoming reality. The Instant New York Times Bestseller! Kim Liggett's *The Grace Year* is a speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of

the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. "A visceral, darkly haunting fever dream of a novel and an absolute page-turner." – Libba Bray, New York Times bestselling author

And when he discovers she is in danger, nothing can stop him from hunting her down—whether she likes it or not. There's only one way to find out . . . Photographer Grace Cooper has had it with vampires, demons, and the rest of an immortal world she was happier not knowing about. She also doesn't believe she's destined for some great battle because of an old birthmark. Forget the fact that her mate is the

sexiest thing on two stubborn feet, or that her brand is fading along with her health. She'll handle things on her own—until an old enemy reappears and she learns the only way to stay alive is to actually mate, wild sex and all, with that ripped and dangerous Adare—a powerful, captivating Highlander who demands nothing less than everything . . . “Spicy romantic interplay; highly recommended.” —Library Journal on Vampire's Faith “Sizzling sex scenes and a memorable cast.” —Publishers Weekly on Claimed “A fast-paced, excitement-filled explosion of action...
