[Olaf The Glorious A Story of the Viking Agree](#) Oct 23 2022 "Olaf the Glorious" is a historical novel written by Robert Leighton that tells the story of Olaf Haraldson, a Viking prince who becomes the king of Norway in the early 11th century. The novel follows Olaf's journey as he grows from a young, ambitious warrior to a powerful and respected king. Along the way, he faces numerous challenges, including battles with rival clans, conflicts with the Christian church, and struggles to maintain his own morality in the face of temptation. Olaf's story is also intertwined with his relationships with the women in his life, including his wife, his mistress, and his sister, who plays a pivotal role in the politics of the kingdom. Throughout the novel, Leighton vividly portrays the world of the Vikings, with its brutal battles, political intrigue, and complex social hierarchies. The novel also explores themes of power, honor, and the clash between pagan and Christian beliefs. Ultimately, Olaf's story comes to a tragic end, as he meets his death in battle against his enemies. "Olaf the Glorious" is a captivating tale of a legendary Viking king, and the turbulent times in which he lived.

[Olaf the Glorious](#) Oct 03 2023 The epic life saga of the tenth-century king of Norway from the British author of *The Thirsty Sword* and other historical adventures. Norse history comes alive in this story of a Viking who became a king. Though he had a humble start in life— orphaned as a child and sold into slavery— Olaf became known for bringing the Roman Catholic religion to the early Norwegians. Olaf's heroic life— from his time in King Valdemar's court to his Viking exploits and battles to his ascension to the throne of his native land— has been heralded in Icelandic sagas. These provided the inspiration for nineteenth-century author Robert Leighton's historical novel of Middle Age valor and glory.

The Viking Novels Feb 12 2022 Swords and long ships in two novels of the age of Vikings Tales of Viking warriors have once again become popular in the genre of historical fiction. The fierce, bearded men from the dragon prowed longships trading, raiding and settling the world of the Dark Ages have, however, always provided intriguing and appealing subject matter for authors. The writer of the two novels which comprise this special edition of stories of the Northmen, Robert Leighton, was no exception and indeed his work was highly regarded for its well researched historical authenticity. The first novel, 'Olaf the Glorious, ' is based on the life and adventures of an actual character of the Viking age. Olaf Tryggvason rose from slavery in Estonia to be a true Viking seafarer. The story follows him through his many wanderings and adventures to the leadership of his people. Battles abound including a recounting of the Battle of Maldon against the East Anglians. Leighton's second novel in this special Leonaur edition is 'The Thirsty Sword.' The scene has moved onwards some 300 years to the 13th century and to the shores of Scotland. This gripping adventure centres around the struggle of the Scots to resist Viking invasion and settlement and there are thrills, spills, sword play and battles aplenty for its hero within these pages. Available in softcover and hardcover with dust jacket.

Nordic Sagas as Children's Literature Oct 11 2021 This book examines translations of Icelandic sagas and the Victorian and Edwardian children's literature they inspired, some of which are canonical while others are forgotten. It covers authors like William Morris, Henry Wadsworth Longfellow, Thomas Gray, Walter Scott, H. Rider Haggard, W.H. Auden, John Greenleaf Whittier and more. In lavish volumes and modest schoolbooks, British and American writers claimed Nordic heritage and explored Nordic traditions. The sagas offered a rich and wide-ranging source for these authors: Volsunga saga's Sigurd the dragon slayer; King Olaf's saga of opposing Nordic Gods and Christianity; Frithiof's model of headstrong youth beset with unfair opposition and lost love. Grettir and Njal tell of men who accepted fate and met conflict and enemies unflinchingly; Aslaug, Gudrida, Hallberga and Hervar exerted remarkable influence; and Eric the Red and Leif the Lucky provided Americans with a Nordic heritage of discovery.

THE SAGA OF OLAF THE GLORIOUS - A Story of the Viking Age May 30 2023 OLAF TRYGGVASON, the hero of this saga is not an imaginary one; he was a real flesh and blood man who eventually reigned as King of Norway just over a thousand years ago. His life reads as only a Viking Saga could and should. Herein you will find the salient facts of his adventurous and outstanding life. They are: his boyhood of slavery in Estonia, his life at the court of King Valdemar, his wanderings as a Viking, the many battles he fought, on land and sea, his conversion to Christianity in England, and his ultimate return to his native Norway where he reigned as King – are set forth in this volume which, if summarised, would make for a cracking campfire yarn. The events related herein can be found in the various Icelandic sagas dealing with the period in which he lived. In short, Olaf was your archetypal Viking. Very few authors could pen a saga that mirrors the life of Olaf, and many have tried. However in penning this story, Leighton made full and free use of these old time records, and added only such probable incidents as were necessary to give a thread of continuity to the reader. NOTE: For the convenience of readers who may wish for greater exactness; Olaf Triggvason was born A.D. 963 and he started on his wanderings as a Viking in the year A.D. 981. The sea fight between the Vikings of Jomsburg and the Norwegians took place in A.D. 986, and the battle of Maldon in the year A.D. 991. Olaf reigned only five years as King of Norway, being crowned in 995, and ending his reign with his death in the glorious defeat at Svold in the year A.D. 1000. 10% of the publisher's profit from the sale of this book will be donated to UNICEF. KEYWORDS/TAGS: Viking, Norse, Saga, Story, Olaf Tryggvason, slave, warrior, King, conversion, Christianity, Valdemar, land battles, sea battles, Jomsburg, England, Norway, Norwegian, battle of Maldon, battle of Svold, finding of olaf, sigurd erikson, gerda' s prophecy, slaying of klerkon, norse kings, training, captain of the host, west, over-seas, hermit, scilly Isles, thoirir klakka, evil earl, christening, Sigrid, haughty, long serpent, sigvaldi, treachery, snare, svold sound, defence

The Vikings Mar 16 2022 This is an unusual book for young readers. However, she will be interested in adults who are fond of the history of the Vikings. The first part is 12 newly discovered adventure stories about the Vikings such as Ivar the Viking by Paul B. Du Chaillu, Eric Brighteyes by H. Rider Haggard, The Story of Rolf and the Viking's Bow by Allen French, Olaf the Glorious: A Story of the Viking Age by Robert Leighton, Wulfric the Weapon Thane by Charles

W. Whistler, Viking Boys by Jessie Margaret Edmondston Saxby, King Alfred's Viking by Charles W. Whistler and others.
