Poetry, art, literature and gardening joys converge between the covers of this Herbal Treasures of Hickory Hollow Gardener's Planning Journal and Coloring Book. Providing a unique gardening companion, it is designed with a heart's desire to create a useful planning journal to delight gardeners who share a passion for digging in the dirt. This nifty book provides a place to lay out new designs, notes for seasons ahead, doodle planned changes, track orders, keep a running inventory of anticipated supplies -- all in one place. Throughout this book, year-round tips and ideas will enhance every garden, with places to sketch-out design ideas for that Dream Garden as inspiration strikes. Coloring features and images scattered throughout provide rainy day enjoyment. Presented seasonally, this planning journal helps gardeners stay organized, complimented by space for journaling and creativity! This concise guide offers monthly themes for reflection and professional development, advice from award-winning principals, space for planning and goal setting, and suggestions for increasing parent involvement. A personalized journal to store important information. This journal prompts for numerous items related to personal, family and business affairs. Store information including important contacts, instructions, routines, wishes, and so much more. This journal is very helpful and useful for daily information and can be readily available for reference of important information if the unexpected ever happens. Imagine being in a situation where you are responsible for a loved ones affairs and do not know what to do or where to start. This journal can help guide yourself and/or loved ones if anything were to happen. This handy journal can help during a time of stress, grief or difficult transitions. It will help to keep your affairs in order. This journal has numerous chapters that will cover anything important for you and your family. One book, all the answers. These chapters prompt for information you may not think of or want to think of, but should think of. After all, every day is a blessing, but it is not promised. Protect your family and be prepared. This journal was thoughtfully created by a wife and mom who saw a dear friend and family go through the unexpected. This inspired her to write this journal to help families in a time of need to help ease any stress. Special educators can go from August to July with this resource's tips, space for daily to-do lists, and reflective prompts on collaboration, working with parents, writing IEPs, and more. Do you have a hundred notebooks filled with scribbled numbers? 500 here, 1.5k there... it all blends into a pile of scrap paper eventually. But what if I told you there was another way? The Word Count Tracker is a simple solution to get those words accounted for. Is it essential track your written words as a writer? Of course not. But keeping an eye on your daily word count can be great motivation and useful for productivity too. This planner contains: A yearly colour coded chart to mark every single daily word total. If you want a way to see your productivity at a mere glance, you'll love this. 3 pages to track your total word count. Choose how many words each box represents and mark them off as you go. 5 pages to write down your book goals. How many words long is the work in progress? What's the working title? Start date? Estimated end date? How many words completed? Progress at a glance for up to 5 books. 12 Monthly word counts - with a box for each daily word total. 366 Daily sprint boxes to track the time put in, and words conjured up. 10 notes pages, just in case. This word tracker is a fantastic gift for yourself or an author friend you love to support. Pick one up today! Keep Calm! You've got this hen do under control. Scroll up and order your copy today! He has stolen Eleanor Fitt's heart, but who was Daniel Sheridan before he became a Spirit-Hunter? In this suspenseful 100-page digital-original romance novella from Something Strange and Deadly author Susan Dennard, Daniel's past—and his first love—will be exposed. With a checkered past like Daniel Sheridan's, landing an apprenticeship aboard the Sadie Queen was just the fresh start he was looking for. But that's the last thing it's been. Teaming with ghosts that plague the crew with horrific nightmares, this ship is more trouble than it's worth to Daniel. Except for Cass. . . . Gorgeous and stubborn to a fault, apprentice pilot Cassidy Cochran is the one thing keeping Daniel on board. Though they started as best friends, their relationship has grown into something more intense. Their stolen, sometimes steamy moments have Daniel feeling something he never thought possible: love. Enlisting the help of a short-tempered Chinese boy named Jie and a Creole gentleman named Joseph, the three attempt to rid the boat of the ghosts—for if they don't, the Sadie Queen will be put out of business. And with Cass's fatally-ill sister in need of expensive medical help, Daniel is more determined than ever to save the ship. But when he discovers that the ghosts are linked to a dangerous curse whose caster wants everyone on board dead, Daniel will come face-to-face with an evil so dark, so wicked, that it will change the course of his life forever. Epic Reads Impulse is a digital imprint with new releases each month. Pick a Park Plan your Trip Share your Story - The WASHINGTON State Parks Adventure Book is part planner, part journal, and 100% your adventure!Created to include dedicated space for you to plan your journey and share your experience. Happy Financial Planning!!!! Let's face it: you can't avoid death or taxes. But you can create an estate plan that will make both a whole lot easier for your loved ones and put you in control of how your assets will get passed to your heirs. Here, Wall Street Journal personal-finance reporter Rachel Silverman walks you step-by-step through the process. Chock-full of clear and solid advice on how to get the most out of the main estate planning tools - including wills, trusts, life insurance, guardianship papers, and powers-of-attorney documents - the Wall Street Journal Complete Estate-Planning Guidebook will help make your estate-planning process as simple, smooth, and unthreatening as possible. This book will help you: · Clarify your estate-planning goals, such as dividing up property for heirs, reducing taxes or leaving money for charity · Understand the key estate-planning documents you'll need, including wills, beneficiary-designation forms, powers-of-attorney and health-care advance directives · Decode the technical jargon that estate planners often use, so you feel comfortable discussing QTIPs and QPRTs when you sit down with your lawyer · Reduce possible estate, gift or generation-skipping taxes and legal and probate fees – decreasing what goes to the tax man and increasing what goes to your heirs · Learn strategies to divide money and personal property among your heirs, and reduce the possibility of family fights · Discuss sensitive estate-planning issues with your family · Maintain your estate-plan over time, including how to store and when to update your documents With completely up-to-date information on how to navigate the new 2011 estate tax legislation, and thoughtful advice on how to handle your estate in complicated situations – like if you're single, in a same-sex relationship, or wish to provide for children with special needs - this is the estae-planning guide for today's messy and complicated world. One of the biggest estate planning mistakes people make, says Silverman, is waiting too long to start. Which is why the Wall Street Journal Complete Estate-Planning Guidebook isn't just for those planning for retirement or their golden years. It's for anyone, of any age, who wants the peace of mind of knowing that your wishes will be respected and your hard-earned money will get passed on as you would like.
