Liam Jackson personifies the old saying, "Still waters run deep." He keeps to himself, and he'd probably be a hermit living in a cave in the woods if it weren't for his large family. As the son of Kane Jackson, he's a lot like his father. Mia Shanoff lives in the spotlight. The newest star in the music business, she's so big the mere mention of her makes the media go wild. Her

story is one everyone wants to know more about. But you know what they say. Don't believe everything you hear. For Liam, the madness of Mia's world makes his job protecting her harder than he'd like. Mia's new bodyguard is far too sexy for her not to notice him, yet he's far too by the book. Can two people so completely opposite ever have a chance together?

As her consort, he walked the night as she always had, becoming the first vampire. Loving her, he turned her vampire and together they had eight sons. The youngest, Idolas, had a vision of the world long after ancient Greek times, of a time when the Archons, those vampires

chosen to keep law and order in the vampire world, would move to overthrow the elders in the Order of Macaria and impose their iron rule on all. The vampire world is now very far from the love Macaria and Navarus shared millennia ago. The Archons have moved to fulfill the Prophecy of Idolas and begin the takeover. Standing in their way are the Sons of Navarus, eight vampire warriors chosen by the Order of Macaria to protect the way of life vampires have enjoyed for thousands of years and defeat the Archons when the day Idolas prophesied came true. That time has

come and for the eight Sons of Navarus, this war will test all their strength and courage. Sons of Navarus Box Set #2 Ian and Kristina's love has been tested over and over, but now one final test may be too much for them to overcome. The only part of his life other than Kristina that meant anything to Ian-his career-lays in shambles. Now he'll have to decide if he can forgive the woman he loves for betraying his most important secret. Kristina will do whatever it takes to get Ian back, and this time it won't be

easy. But their love means too much for her to give up now. And just when they think they've finally found happiness, their love will be challenged one last time. This serial is not meant to be a complete story in each volume, so expecting a happily ever after at the end of each part is a mistake. SILK is a continuing story involving one couple, Ian and Kristina, and this is their story. There will be a happily ever after at the end of the entire serial, however. Also, four volumes will be all there is to SILK. This is not a story that's meant to go on after those four parts. SILK is meant to be erotic, and while it has a story in addition to

the sex, that story is one of addiction and obsession, both sexually and non-sexually. Ian and Kristina are flawed and broken, and their story is one of mad and desperate love. What would you give up for everything? Tristan Stone was powerful, commanding, sex incarnate. And he wore it all so well. From the moment his mesmerizing gaze met mine, I had no choice but surrender to everything he was. His power. His decadence. His passion. He was all I never knew I needed. He wanted to possess me, and I wanted to be his everything. All I had to do was accept what he offered. But

everything has a price. The world he gave me fulfilled my wildest dreams, but would that be enough when the past crashed into the present? Look for Fall Into Me, the sequel to Crash Into Me, coming November 25! I am everything you desire. I am vampire. Powerful and manipulative, Vasilije does as he pleases. A vampire beholden to no one, he takes what he desires, drinking deeply the pleasures this life has to offer. When one of his own is staked, Vasilije must travel to New Orleans to exact his revenge. There he meets Sasa, a beautiful woman who arouses him like no other has for centuries. Vasilije's

need for vengeance is equaled only by his passion for her, but what he finds in his revenge is just the beginning... Book #1 in the Sons of Navarus series The emotional conclusion to Cade and Hailey's story that began in Notorious! We tend to hurt the ones we love the most, even if we don't mean to. Cade March knows that all too well, and now Hailey does too. For the first time in his life, he loves a woman enough to make things right. Whatever it takes, Hailey's worth it. And for the first time in too long, she's willing to take a chance because what she feels when she's with Cade makes her

truly happy. But what happens if his past never goes away? Publisher's Note: Infamous concludes Cade and Hailey's duet. It is not a standalone since their story begins in Notorious (NeXt #1). Wilde, Amelia Wilde For Vasilije, Sasa is more than just one of his vampires. She's the only vampire he keeps in his life now. That comes with many perks, but also with its fair share of pain as Vasilije can be thoughtless of his empath girlfriend's feelings. His forgetfulness in this area has allowed another Son to befriend Sasa, and the result was Thane's willing assistance in feeding her while Vasilije was once again absent from her side. Sasa is loyal to her sire and mate, but her mind is plagued with doubts that Vasilije isn't the devoted male she's believed him to be. The ease with which he leaves her makes

her wonder if his eyes and other body parts have begun to stray from her. Naturally, she turns to her only true friend for sympathy, and Thane is happy to listen to the woman he secretly loves. Conflict over a female between two alpha males can lead to a fatal misstep when so much is at stake. The Sons of Navarus can't afford to let their focus slip from deciphering the Prophecy of Idolas and defeating the Archons, and now more than ever they need to be united in their fight to save the vampire world. This short story can be read as a stand-alone, but it's more enjoyable if read within the series

Return To Me  
(Heart of Stone #6)  
Addiction and  
obsession brought  
Ian and Kristina  
together, and real  
life tore them apart.  
For Ian, Kristina is  
everything. What  
began as an  
obsession has  
morphed into that  
something more he

so wanted. Kristina  
is his muse and so  
much more, but  
now both of them  
must make choices  
that may change  
everything. For  
Kristina, Ian offers  
all that she's ever  
wanted. Love.  
Passion. Adoration.  
But these come  
with a price, and  
the cost of loving  
him may be more  
than she's willing to  
pay. This serial is  
not meant to be a  
complete story in  
each volume, so  
expecting a happily  
ever after at the  
end of each part is  
a mistake. SILK is a  
continuing story  
involving one  
couple, Ian and  
Kristina, and this is  
their story. There  
will be a happily  
ever after at the  
end of the entire  
serial, however.  
Also, four volumes

will be all there is  
to SILK. This is not  
a story that's meant  
to go on after those  
four parts. SILK is  
meant to be erotic,  
and while it has a  
story in addition to  
the sex, that story  
is one of addiction  
and obsession, both  
sexually and non-  
sexually. Ian and  
Kristina are flawed  
and broken, and  
their story is one of  
mad and desperate  
love. Get three  
books in the next  
generation of the  
Heart of Stone  
series in this set!  
Hard As Stone

gorgeous. Ethan  
Stone, the only son  
and spitting image  
of billionaire  
Tristan Stone, has a  
long line of women  
who would kill for a  
night with him, and  
rumor has it he's

more than happy to oblige. But Ethan has a problem. His family wants him to settle down. Why, he can't understand. But he needs to figure out a way to convince them he's given up his wild ways while at the same time living his life the way he wants to. He has a plan, though, and Summer Carmichael, the quintessential girl-next-door, is perfect to help him. But Ethan better watch out or he might just find himself falling for exactly the kind of woman his family wishes he'd bring home. Set In Stone Driven. Sexy. Tressa Stone wants to take over the world. As one of Tristan and Nina Stone's two

The newest quarterback for a New York team looking to get back to the top, he's the toast of the Big Apple and can have his pick of women. All it takes is one look at Tressa and he knows she's the one he wants. Catching her might be even harder than getting to the big game, but if he does, it will be worth far more than a handful of championship rings. Silent As A Stone Innocent. Sweet. Diana Stone, the last of Tristan and

Nina's triplets, struggled from the day she was born. Never as confident as her brother or as strong as her sister, she was the brainy Stone child with her eye on one day sitting on the highest court in the land. Until a horrible accident left her broken and trapped by her fears. Cole Knight has known Diana for what seems like forever. Her brother's best friend, he's been told by Ethan that Diana is off limits since junior high. But he's been drawn to that forbidden fruit for years. Once, Diana gave him her heart at a time when he needed it the most. Now, as he looks at her as a man and not a boy anymore,

can he give her what she needs most so they can find happiness forever this time? And be sure to look for a brand new Tristan and Nina book, All of Me, AVAILABLE NOW! LOOK FOR THE FINAL SONS OF NAVARUS BOOK, BLOOD ASCENDANT, COMING NOVEMBER 12, 2019! For Thane, being a Son means the responsibility of deciphering the Prophecy of Idolas and stopping the Archons. He's accepted his destiny, privately wishing for more than a life of duty and solitude but knowing it's unfair to join himself to one woman because of what he must do in this life. But

things have changed. As much as he's denied it, his friendship with the mate of another Son has caused something to grow inside his heart that had been empty for so long. To Sasa, Thane is a dear friend, the only true friend she has at the monastery. He'll take her friendship with the secret desire that one night she'll want much more... Into Me... Tristan Stone has lived a life other men would kill for. Literally. But all the money, women, and fast cars mean nothing to him since Nina came into his life. Danger lurks around every turn with enemies wearing friendly faces. Whatever it takes, he'll protect the woman he loves because without her, life isn't worth living. Nina Edwards had no idea of the world Tristan would give her. All her dreams have come true, but with the good comes the bad, and this world of his has more than enough of that. For love, though, she'll face not only Tristan's demons but anyone who stands in her way of finally

finding happiness with the man she loves. For Ian Anwell, addiction is a way of life. He can't remember a time when he wasn't addicted to something-heroin, alcohol, whatever made him feel good. But his newest addiction is better than all the others combined. Kristina makes him feel like the man he's always wanted to be. But addicts have a habit of wrecking things, even those they hold dear. For Kristina Richards, Ian is everything. Love. Lust. Obsession. But even as she falls deeper in love with him and the madness they create together, she finds something she never expected to

find in her time with him. She finds strength she never knew she had.
