Sometimes the little head really does know best. Jeff White's needs are simple. All he wants is an experienced submissive to help him explore the dominant side that his ex-girlfriend couldn't handle. Problem is, Jeff's inexperience in both dating and domming is really putting the girls off. What Jeff needs is some guidance from an experienced sub. Unfortunately, the only sub willing to take on the challenge is a man, and Jeff is straight. One hundred percent straight... isn't he? Easygoing pain Slut Eddie Powell doesn't care about Jeff's inexperience. Eddie likes a bit of rough, and Jeff fits the bill perfectly. The trick will be convincing him to follow Eddie's five-step training programme--which would be easy if Eddie wasn't starting to have feelings for the rough-around-the-edges landscaper. Once Jeff lays his hands on Eddie, things definitely get out of hand. But it'll take more than hot, sweaty, kinky sex to persuade him to come out of the closet--especially to himself. Warning: Contains a happy sub, a confused Dom, a high ratio of sex to plot, misuse of root ginger, and a suitcase of kink. Written in Jo's usual exceedingly "English" English. Shakesqueer puts the most exciting queer theorists in conversation with the complete works of William Shakespeare. Exploring what is odd, eccentric, and unexpected in the Bard's plays and poems, these theorists highlight not only the many ways that Shakespeare can be queered but also the many ways that Shakespeare can enrich queer theory. This innovative anthology reveals an early modern playwright insistently returning to questions of language, identity, and temporality, themes central to contemporary queer theory. Since many of the contributors do not study early modern literature, Shakesqueer takes queer theory back and brings Shakespeare forward, challenging the chronological confinement of queer theory to the last two hundred years. The book also challenges

conceptual certainties that have narrowly equated queerness with homosexuality. Chasing all manner of stray desires through every one of Shakespeare's plays and poems, the contributors cross temporal, animal, theoretical, and sexual boundaries with abandon. Claiming adherence to no one school of thought, the essays consider *The Winter's Tale* alongside network TV, *Hamlet* in relation to the death drive, King John as a history of queer theory, and *Much Ado About Nothing* in tune with a Sondheim musical. Together they expand the reach of queerness and queer critique across chronologies, methodologies, and bodies. Contributors. *Someone to Hold Me. The Gods Made Me Do It #6* (Can be read as a standalone) Hades, Lord of the Underworld, has spent years searching the world for his Fated Mate. He's watched his brother and nephews find their "light" and yet he can't find his. On the verge of giving up hope, Hades attends his brother Poseidon's wedding; so outside his comfort zone, but his discomfort proves worth it. Because there, at the reception, he finally sees his light. It wasn't that Ali was uncomfortable around wolves - he'd been a good friend of Claude's for years. But when one of the wolves at Claude's and Poseidon's wedding gets verbally pushy, he feels he has no choice but to shift and find the alpha. What he doesn't expect is to find a beautiful man with soulful eyes, holding out his hand. After all Ali and Hades have been through in their lives, you'd think the Fates would be kind to them. But between Cerberus's howling, Persephone's snarking, and Ali's family proving there is more to them than their blatant wealth, Ali and Hades have their hands full creating a life with each other. But maybe, just maybe, the Mother has a gift for them after all. This is an MM paranormal true mates story intended for adults only. **3 NAUGHTY STORIES OF FIRST TIME BDSM EXPERIENCE!** This naughty three story collection is packed with stories of first-time BDSM experience, an older dominant man exploring a younger submissive woman's body, outdoor exploration and more. *Miria lives in a decadent, dangerous world we can scarcely imagine...The world of the Darwellian Collapse.* Over one hundred years in the future, resources have dwindled, and the human species along with it. Opportunistic men have seized absolute power, and the concept of equality is a distant memory. Decadence and luxury are the pursuits of the privileged, while those of the lower class eke out lives more reminiscent of medieval times, rather than that of an advanced civilization. The privileged spend their days in pursuits of the flesh, where no sensual act is too bizarre, no treatment of those beneath them too cruel. Human life means nothing to these would-be gods. It is into this world that nineteen year old Miria is thrust, when she is abducted from her bed by men who see her as chattel. But when she meets the strong and mysterious Ronan, a man who commands himself as he does others, she encounters both wonders and evils she could not have imagined before. While this is a BDSM romance, the world depicted herein is a very dark and dangerous place. The non-privileged are treated as if they do not matter, and are used for the amusement of the wealthy. Nothing is off-limits. Should you choose to read this story, you will encounter graphic scenes that may shock you, or even upset you. Please be advised that this story is for mature adults who can handle scenes of decadence and violence. It is not for the faint of heart. When eighteen-year-old Emma Woodbine visits her next-door neighbor for the first time, she learns something which will change her world forever. It turns out that Daniel Magus is no ordinary man. He

is an ancient, powerful immortal, and he has decided to make her his pet. Emma soon finds herself naked and on display, blushing crimson as Daniel commands her to confess her most shameful secrets and spans her bare bottom soundly when she hesitates to obey. Her new master quickly sets about training her, and Emma cannot deny her intense arousal at being made to surrender her beautiful body to him completely, but will she truly be happy spending her life as the immortal's pet? Publisher's Note: The Immortal's Pet includes spankings, sexual scenes, pet and pony play, and more. If such material offends you, please don't buy this book. After one mind-shattering night with a stranger at a local leather bar leaves him forever changed, Gabriel lives on the streets as a vagrant to elude the master who hunts him, but the shifter is a fierce, stubborn predator who reclaims him soon enough. Gabriel is carried away to the pack's home territory where his instruction on what it means to be the pet of an alpha begins. Gabriel isn't just any pet, though. He is the rarest among their kind: a human omega. Treasured? Or cursed? As Gabriel's father, the Distinguished Gentleman from Pennsylvania and stalwart of the conservative party, pushes the considerable resources at his disposal to locate his missing son, Gabriel explores who and what he is under his master's careful protection. Gabriel falls for the shifter who is lover and destroyer, owner and...friend? Content Warnings: Dubious consent, lotsa kink, and an embarrassment of riches in hormonal anarchy - RAWR! [Siren Classic ManLove: Erotic Alternative Sci-Fi Romance, M/M] The world is in ruins, society divided into those who protect and those who need protection. That protection comes at a price, one that Jiri discovers when he's sold to Zane, leader of the Death Dealers. He's shocked when Zane explains he wants Jiri as his own personal sex pet. But Jiri can't deny he's intrigued by Zane's proposal. He wears the collar and leash Zane provides and prepares himself to be a possession. But the more he gets to know Zane, the more Jiri wants something more. He wants Zane to want him for him, and not just as a pet. But before Jiri can convince Zane of his desire, an attack comes from The Night Dwellers, one that could destroy them both. \*\* A Siren Erotic Romance 3 NAUGHTY STORIES OF FIRST TIME BDSM EXPERIENCE! Kate wants a man who will take charge—she just needs to find the right guy. Fortunately, her friend is throwing a kinky Halloween party with a guest list loaded with sexy, available men. That's where she meets Banner. Dark and intense, Banner's not just a Dominant, he's a Master looking for a slave. Kate isn't interested in something that extreme, but when he offers to help her find the perfect Dom, while training her to be a flawless submissive, she's glad to have a matchmaker and protector. Banner knows they're not compatible, yet something about Kate is impossible to resist. Once he finds her the right Dom, will he be able to let her go? London 1907, twenty years into the zombie Plague After being kidnapped into slavery by a powerful crime family member - Erik Dal, Reuben is slowly adjusting to his new life. He is now Copper, Erik's proud stallion, serving in any way his master might require -

from pulling a cart, to pleasures in the bedroom. But his journey has only begun, and as he becomes increasingly attached to Erik, his devotion will be evaluated. From getting bred by another owner's stallion to Erik marking him forever, each of Reuben's decisions makes him more of a pet and less of a human. Becoming Erik's horse isn't just about getting pampered, wearing hooves and tack, or providing the master with pleasure. It becomes a violent game of prize and punishment, but when Reuben understands he too has leverage - Erik's attachment to him - he becomes an active player in the negotiations of his stay at the mansion. But with his master's grand annual birthday party approaching, his loyalty will be tested like never before, and the tasks he is to perform might prove too much. The Good Boy's Guide to Being Good is an entertaining account of a dog trying to understand his human and live his best life. Written from the point of view of Sprout, an "Insta-famous" dog who pushes a tiny shopping cart amongst other tricks, it uses humorous real-life anecdotes to provide a light-hearted take on how to raise a well-behaved dog, brought to life with adorable and entertaining photos of Sprout in all walks of life. Sprout's 'wisdom' covers understanding and successfully living alongside humans, progresses to navigating the outside world and learning manners, and culminates with a few simple yet unique tricks. Each tip is accompanied by a human translation to break down the actual principle Sprout is describing so that dog owners can apply the wisdom to their own pets. A funny and fresh take on how to look after your dog, The Good Boy's Guide to Being Good is the perfect gift for any dog lover or owner, new or old, who wants a little insight into how to care for their canine companions.

Annette couldn't explain why the idea of a strong man taking her and bending her to his will aroused her so. Perhaps she was just "wired" differently than other women. When she began exploring her submissive feelings online, she came across "Mr. Paul", an alleged Dominant and trainer who lived in another state. As they began chatting, Annette found in his responses the answers to her own long-unanswered questions. He seemed the perfect Dom--not cruel or abusive, just firm and strong and masculine. She went to visit him--and met another strong man. Master James evoked similar responses in her. Now deep in her training, she finds herself torn between two men, the aloof and enigmatic Mr. Paul and the sexy and strong Master James. One of these men may steal her heart - or she may be destined to be sold to the highest bidder at auction! Annette opens her soul to the experience of total submission and finds her heart's desire "The Dogs in My Life" captures the love and warmth shared between Supreme Master Ching Hai and her numerous dogs with full-color photos and poetic captions written from the canines' point of view. The Supreme Master Ching Hai had been compiling these touching dog tales since she began adopting them, one after another, from shelters in 2001. It was a miraculous journey for these dogs in their rebirth through her compassion. Readers of this book will see dogs in a new light -- noble beings with a whole lot of love! As a result of recent media interest, the practice of BDSM has become more mainstream yet remains marginalized. Now more than ever, greater numbers of heterosexual and LGBTQ couples are starting to explore some form of BDSM. However, profound misunderstandings continue leading to unintentional physical and psychological harm. Drawing on current research and ethnographic narratives from the kink community, this book seeks to provide psychotherapists with an introductory understanding of the culture and practice of BDSM, and presents specific therapeutic concerns related to common misconceptions. This book strives to de-pathologize BDSM practices, while also providing concrete ways to distinguish abuse from consent, harmful codependency, and more. Packed with practical suggestions and rich case studies, this book belongs on the shelf of every therapist seeing BDSM and kink clients. Since the beginning of time, cats have convinced the world that they are untrainable so they can do whatever they want...but those days are over! Gregory Popovich is a professional cat trainer who's trained cats to perform amazing circus-style tricks for television and stage, and he's about to reveal his most closely guarded secrets so cat lovers everywhere can put an end to the most common problems:- Stop bad litter box

habits End early-morning howling Banish your cat from tabletops and countertops - Prevent begging before mealtime - Put an end to destructive clawing - Make peace between rival cats And so much more, including how to become an expert cat trainer at home and teach your cat to perform Gregory's favorite tricks, like jumping through a hoop or perching on your shoulders. This fun-to-read book also provides wonderful insights into the mysterious, complex feline mind, explaining why cats do the things they do so we can better understand them and enjoy a closer, more meaningful friendship. "No one writes about the subjects of sexuality, desire, the shadow, and diabolism with such relish, and when I read her words I feel both smarter and less afraid of my own 'tabooed' feelings and thoughts. Like a cat, Kristen sees in the dark, as she guides us gracefully forward with her vision of unapologetic, feminine power." —From the Foreword by Pam Grossman, author of *Waking the Witch: Reflections on Women, Magic, and Power*

The cat: A sensual shapeshifter. A hearth keeper, aloof, tail aloft, stalking vermin. A satanic accomplice. A beloved familiar. A social media darling. A euphemism for reproductive parts. An epithet for the weak. A knitted—and contested—hat on millions of marchers, fists in the air, pink pointed ears poking skyward. Cats and cat references are ubiquitous in art, pop culture, politics, and the occult, and throughout history, they have most often been coded female. From the "crazy cat lady" unbowed by patriarchal prescriptions to the coveted sex kitten to the dreadful crone and her yowling compatriot, feminine feline archetypes reveal the ways in which women have been revered and reviled around the world—in Greek and Egyptian mythology, the European witch trials, Japanese folklore, and contemporary film. By combining historical research, pop culture, art analyses, and original interviews, *Cat Call* explores the cat and its indivisible connection to femininity and teases out how this connection can help us better understand the relationship between myth, history, magic, womanhood in the digital age, and our beloved, clawed companions. Makes a perfect gift for your sub, slave, pet, babygirl etc. Cover art is black with "Keep Calm and call me Master" written on it in white. 120 lined pages Measures a substantial but portable 6.44"x9.69" (16.36cm x 24.61cm) High Quality Matte Paperback cover

Follow the erotic tale of a teacher and his student as they embrace the world of human pet play and bondage together. Chelsea Butters is a lost soul looking for a place that she truly fits in. It's not until she enters into the erotic world of Mark Taylor that she finds where she truly belongs. Little did she know, this path would take her into the world of bondage, dominance, submission and love! But would it be the world for her? Now collecting all volumes of the ebook erotica series *Beyond the Softness of His Fur* by TammyJo Eckhart into one omnibus paperback. Exploring a futuristic world, *BTSOF* combines female dominant BDSM with furry fantasy. When driven and dominant advertising executive Emily Potter is promoted within her company, the bosses make it clear that the promotion comes with certain expectations: she is to purchase herself a morph--a customizable animal hybrid of the future that is both sexual pet and status symbol. Emily's personal tastes require a very unique set of specifications for her morph. Emily desires a male pet that is both exotic and submissive--yet all of her expectations are exceeded with Wynn, a beautiful white fox morph with a desire to please his new Master and an unusual intelligence that intrigues her. But the soulful wisdom that makes Wynn so special is a challenge to the morph-culture status quo and could ultimately spell disaster for both Master and pet.

About the Author: TammyJo Eckhart, PhD, is the author of seven previous books of BDSM fiction, and has been part of the BDSM community since 1990. 2010 saw the publication of her first non-fiction book from Greenery Press (*At Her Feet: Powering your Femdom Relationship*). She has been a leader in several BDSM organizations ranging from the AppleMunch to two difference university groups (*Conversio Virium* and *Headspace*) as well as a private support group for tops. As of the spring of 2010, her "kinky family" is comprised of Tom, her husband since 1992, and Fox, her slave since 1999. She loves visiting conventions as well as organizations to read, sell books, or offer her experience and insights on various topics in the form of lectures or workshops. When Olivia, a submissive sex slave, breaks one of her master's rules, he does more than just spank her. He brings in the next door neighbor, Sasha, to take her place. Now she is nothing more than a dog in their eyes. Collared,

leashed, and forced into a cage, Olivia is powerless as she is forced to watch her master bed the neighbor girl. And what's worse, Olivia might just start to enjoy it... This story contains scenes of domination, bondage, spanking, and one very bad girl forced to watch her master please another woman! In appreciation for a job well done, Stella James's boss sends her a pet -- a human pet. The mischievous Tino comes straight from The Pet Shop complete with a collar, a leash, and an erection. Stella soon discovers the pleasure of keeping Pets, especially this one, is extremely addicting. Obsessed with Tino and with the reclusive philanthropist, Vincent Evanston, who looks like Tino, but couldn't be more different, Stella is drawn into the secret world of The Pet Shop. As her animal lust awakens, Stella must walk the thin line that separates the business of pleasure from the more dangerous business of the heart or suffer the consequences. Rehabilitation has always been hard for Jason, even if he is the best in his line of work. His superior says because he's too soft for it, but he knows the real reason why. It's because he likes it too much, he likes when they send him the broken ones, the shifters that have been conditioned to be treated like the animals inside them. It is only natural for someone in his profession to be handed the hardest cases. When he starts reading about Anna in the papers, how the poor shifter has ears and a tail like a cat and has forgotten most of what it means to be human, he knows it is only a matter of time until she is handed to him. What they don't know is that Anna is exactly what he wants in a mate and he has no desire to change anything about her. ~~~~~ Excerpt ~~~~~ He's sure he has the trust part of the exercise down. She is comfortable enough with him that she doesn't even pause when he turns his back to her in his quest to get his own meal. It doesn't take her long at all to demolish her own meal, finishing it up and then settling on her knees, licking the back of her hand to wipe her face. He takes his time with his own meal, taking bites of the deliberately underdone steak and licking up the blood before it can drip down his chin. She crawls closer to him on the table, tail wagging curiously behind her, ears perked back. He wonders if she has to beg for scraps this way during her captivity. She makes a soft inquiring noise that garners his attention. "Yes, Kitten?" he asks, looking up. Then, he chuckles. She has mayonnaise smeared over her chin and cheek, pieces of salmon stuck on her nose. "Look at you," he says, pinching her chin between his forefinger and thumb and tilting her head up. "You've made such a mess of yourself, Kitten." He draws her forward without thinking and licks over her cheek and chin, cleaning her up the way wolves do, the flat of his tongue running over her cheek and closed eye. She tastes sweet, the mayo clinging to her skin, with an undertone of her own sweet scent and the clean taste of the salad side dish his chef had prepared for her. She leans into his touch eagerly, purring as he grooms her with his tongue. "There you go," he says, wiping his own saliva from her cheek fondly. He's going about this all the wrong ways deliberately, encouraging her animal instincts by piling his own on top of it. Tomorrow, he thinks to himself. He will start the program tomorrow. Today, he will enjoy having her like this, mostly human with a mind that is more animal. She crawls off the table once he is done with grooming her face and curls up at his feet, smelling heavily of contentment. [Siren Everlasting Classic: Erotic Consensual BDSM Romance, spanking, caning, sex toys, HEA] At thirty-six, Cole Rossi has found the perfect submissive in Jessica Summers. Kink-Affirming Practice is an essential guide on how clinicians can ethically and effectively integrate elements of their client's BDSM identities and practices into their treatment planning, creative interventions, and client self-care. Embracing both an anthropological understanding of this diverse yet still marginalized community, as well as a sex-positive approach to mental health, Stefani Goerlich recognizes the ways in which specific power exchange dynamics can evoke positive behavioral changes in clients, and guides the reader in how to integrate these concepts into their clinical work. Chapters discuss the foundations of BDSM, what is meant by kink-affirming practice, the purpose of claiming power and ceding control, integrating and reclaiming identities, dominant/submissive personas, and the benefits of caregiving kink, such as pet play. It practically discusses how to conduct a kink-affirming risk assessment, as well as exploring topics like ethical and health boundary setting, how to gain informed consent, and the unique issues that arise when clinicians catch themselves romancing the kink. This book is invaluable reading for professionals working with clients who engage in BDSM activities, such as marriage and family therapists, sex therapists, clinical social workers, and counselors. It may also be useful reading for students on both undergraduate and graduate level human sexuality and sexuality courses. Whether you have always dreamed about life in a collar or just discovered a desire to be sexually adventurous, there is a place for you in the fetish world of submission. The culture of kink, once thought to be limited to couples who wore leather pants and played slap-and-tickle in the bedroom, has grown into a varied and well defined umbrella for sexual identity. Because fetish culture, like all cultures, grows and changes with the people who practice it, there are distinct roles and categories that developed to help women define their preferences and find like-minded people and playmates. Women in BDSM relationships no longer have to start with the basic tenets of submission to wrap that skin around their differences. Now you can look into the whole spectrum of submissive behavior and find the place you feel most fulfilled and comfortable. From women who enjoy the occasional bondage session handcuffed to their headboard to the girls who want to be fed out of a bowl and locked in a crate at night – there is a place for everyone. In this Submissive Training guide we will look at

twelve subcultures of submission (including the New Misogyny), explaining the overall principles and practices of each one and illustrating the pros and cons inherent in each style of sexual diversity. All people are different and you may not find one that covers everything you like, or don't like – but chances are you'll see something in one of these subcultures that makes you say, "That's what I want." Awesome BDSM Notebook for your personal notes. This awesome, ruled composition notebook is perfect for anyone who loves bondage, discipline, dominance, submission and sadomasochism. Dressed to kill, she's sexually alluring, and everything he desires in a woman. A proficient rope player and Master of Club Submission in his own right, Jack Montrose knows how to please a lady. But has he met his match in the sexy woman wearing high heels and latex? Still smarting from the breakup with her ex who severely compromised her safety during a bondage scene, Sara is undeniably wary of the new Dom in town. Although he's so self-assured, and handsome, is she really willing to place her trust in him? Using his skills as a rope player and natural dominant, can Jack convince Sara that he is serious about her safety? Will trust eventually blossom between them? Note: This for-sale version has been revised and expanded and is at 15,918 words. The original short version at 11,698 words is available for free only inside the BookStrand App. \*\* Master's Pet [Siren Everlasting Classic: Erotic Consensual BDSM Romance, spanking, caning, sex toys, HEA] At thirty-six, Cole Rossi has found the perfect submissive in Jessica Summers. The twenty-eight-year-old beauty is sexy, witty, and more than a little mischievous. She has been his to worship, discipline, and adore for the last three years, and he can't imagine life without her. Master Cole is everything Jessica could possibly wish for in a dominant. He's powerful and caring, and has placed his diamond collar around her neck as a symbol of his love, respect, and commitment to her. However, when Quinn Sutherland, Jessica's former master, returns to Club Submission for the first time in four years, their idyllic D/s relationship is thrown into turmoil. There was always bad blood between the two men, and Cole is well aware that nothing would give his nemesis more pleasure than taking Jessica from him. Unsettled by events, Cole uses tough love to resolve the situation. Will his strategy work, or will it backfire and drive Jessica straight into the arms of his bitter rival? \*\* A Siren Erotic Romance When a distant planet's ownership is in dispute, conquering aliens turn defiant human males into pampered sex slaves. Frey Bjorkson is an orphan from New World Colony Five. While making a supply run, he's been captured by a Travian privateer and kept as a pet. Brutalized, he fights to hold on to his sanity and hope of escaping. His hopes are all but dashed when his master loses him to another, scarier male. Having lost his mate, Rone has given up his old military ambitions. Instead, he's volunteered to pose as a privateer to root out the arms suppliers of the traitorous males trying to overthrow female rule. When he becomes the reluctant master to a human pet, he has little patience for caring for the scared, battered creature. That doesn't stop him from wanting the boy, and, as he sets about claiming the human as his property, he finds himself getting in deeper than he'd intended. Not only does Rone prove to be kinder, he also gives Frey his first experience with sexual pleasure. The way Rone makes him feel, physically and emotionally, confuses Frey. He fights against his growing attraction even while he struggles to learn just what his master's true agenda is. As Rone infiltrates the dangerous world of privateers, he reluctantly drags Frey in with him. He tells himself that he needs the cover of being a brutal slave owner, but there is no denying his growing need for the boy. As Rone's mission heats up, the stakes are high, and the alien master and his captive pet will have to work together to survive. My name is Pet. My story is going to break your heart. The first thing you should know about me, is that I'm a good girl. I follow directions. I

bend at the waist. I do anything and everything my King tells me to. But King is demanding. King is dangerous. He wants to hurt me. And there is only one person who can help me run away from King... Except I don't know if I want to leave him. I don't know if I can. Good pets always obey their master... But what if I want to have two? PET is a standalone 95,000 word novel. This is a DARK romance! "Within what I hope will become this dog-eared work" says Stephen Poxon, "365 shaggy dog stories are homed with verses of Scripture to encourage, inform and possibly even amuse. Use them as a dog might treat a puddle - to gaze upon with curiosity, to dip into, or to have a jolly good splash around. It might be that a line from a reflection will lead you towards a deeper concept. It might be that a thought provides a timely contemplation for the day, relevant to your circumstances and concerns. A year's worth of delightful reflections on dogs known and loved, each leading into a consideration of some aspect of God's character. "It is my prayer, as a dog devotee who tries to follow God, that these readings bring reminders of His love. As the seasons change and experiences vary between good, bad, and indifferent, may our relationship with a loving Heavenly Father remain a rewarding constant." The celebrity dog trainer and Emmy-winning star of the CBS show Lucky Dog shares his training system to transform any dog—from spoiled purebred puppy to shelter-shocked rescue—into a model companion in just seven days. Each week on Lucky Dog, Brandon McMillan rescues an untrained, unwanted, "unadoptable" shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems—ultimately becoming well-mannered pets and even service dogs. With his labor of love complete, McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with thousands of dogs of every breed and personality to help readers turn their own pets into well-trained Lucky Dog graduates. Lucky Dog Lessons begins with the basics—building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door dashing, chewing, barking, and common mealtime misbehaviors. Lucky Dog Lessons includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillan believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. Create the happy pet family you want with Lucky Dog Lessons. When Paige asks her husband to man up and take control in the bedroom, she has no idea that her husband Jake will do that and more. Now he has plans to teach his wife a lesson. If she wants to act like a bitch, he'll treat her like one! Now Paige is about to become man's best friend! This 6,400 story contains scenes of BDSM, bondage, collaring, humiliation and a wife who learns how to heel! Wednesday is released by Vincent, her long-time Master, only to find herself in a new, much more emotionally intense BDSM relationship with Daniel. But is Vincent really out of her life forever? Can Wednesday bear the intimacy of her new lover's demands? The three soon find themselves in an uneasy and sometimes downright contentious love triangle. Wednesday wants to submit to Daniel, but self-protective impulses and bad memories make their budding relationship a constant struggle. In a world of passion, promises, and power exchange, Wednesday and her lovers must come to understand the difference between being "owned" and loved. "She knows flans, souffles, and pastries; he's mastered ball-gags, floggers, and bondage. Ariel won't back down and Dane won't submit..." Ariel Valerian knew cooking techniques and recipes, but a Dominant like Dane Reese had her more hot and bothered than a dozen hours slaving in a steamy kitchen. And 'slaving' is just what she intends to teach her blond-haired, blue-eyed, oh so yummy surfer boy. He might be helping at the family cafe as a favor to her sister, but there was no way she was giving him an opportunity to play Dom with her. For Dane

Reese, Ariel Valerian is a full-figured pixie -- a life-size, blue-haired Tinkerbell in a chef's coat surrounded by the scent of chocolate and cinnamon and an aura of mind-blowing, sweaty sex. Too bad she's driving him insane with her determination to order him around. As a Dominant and half-owner of A Master's Gift, Dane has seen his share of Dommies and submissives, and, no matter how she might deny it, Ariel is destined to call him Master. Two powerful personalities; a contest to determine who is more adept at control; and less than thirty days to discover if Ariel will bow to Dane's commands, or if Dane will become Ariel's Pet. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play, BDSM theme and content, voyeurism."
