Escaped Alone Sep 09 2021 "I'm walking down the street and there's a door in the fence open and inside there are three women I've seen before." Three old friends and a neighbour. A summer of afternoons in the back yard. Tea and catastrophe. Caryl Churchill's play Escaped Alone premiered at the Royal Court Theatre, London, in 2016, in a production directed by James Macdonald. It was named Best Play at the 2017 Writers' Guild Awards.

Open Heart Aug 09 2021 A profoundly and unexpectedly intimate, deeply affecting summing up of life so far, from one of the most cherished moral voices of our time. Eighty-two years old, facing emergency heart surgery and his own mortality, Elie Wiesel reflects back on his life. Emotions, images, faces, and questions flash through his mind. His family before and during the unspeakable Event. The gifts of marriage, children, and grandchildren that followed. In his writing, in his teaching, in his public life, has he done enough for memory and for the survivors? His ongoing questioning of God—where has it led? Is there hope for mankind? The world's tireless ambassador of tolerance and justice gives us a luminous account of hope and despair, an exploration of the love, regrets, and abiding faith of a remarkable man. Translated from the French by Marion Wiesel

Social Isolation and Loneliness in Older Adults Apr 04 2021 Social isolation and loneliness are serious yet underappreciated public health risks that affect a significant portion of the older adult population. Approximately one-quarter of community-dwelling Americans aged 65 and older are considered to be socially isolated, and a significant proportion of adults in the United States report feeling lonely. People who are 50 years of age or older are more likely to experience many of the risk factors that can cause or exacerbate social isolation or loneliness, such as living alone, the loss of family or friends, chronic illness, and sensory impairments. Over a life course, social isolation and loneliness may be episodic or chronic, depending upon an individual's circumstances and perceptions. A substantial body of evidence demonstrates that social isolation presents a major risk for premature mortality, comparable to other risk factors such as high blood pressure, smoking, or obesity. As older adults are particularly high-volume and high-frequency users of the health care system, there is an opportunity for health care professionals to identify, prevent, and mitigate the adverse health impacts of social isolation and loneliness in older adults. Social Isolation and Loneliness in Older Adults summarizes the evidence base and explores how social isolation and loneliness affect health and quality of life in adults aged 50

and older, particularly among low income, underserved, and vulnerable populations. This report makes recommendations specifically for clinical settings of health care to identify those who suffer the resultant negative health impacts of social isolation and loneliness and target interventions to improve their social conditions. Social Isolation and Loneliness in Older Adults considers clinical tools and methodologies, better education and training for the health care workforce, and dissemination and implementation that will be important for translating research into practice, especially as the evidence base for effective interventions continues to flourish.

Arthurian Romances Feb 12 2022 The Birth of King Arthur and the Knights of the Round Table "My good sir, is she your daughter then?" "Yes, but don't pay any attention to what she says," said the lord. "She's a child - a silly, foolish thing." "Indeed," said my lord Gawain, "then I'd be very ill-mannered not to do what she wants." - Chrétien de Troyes, Arthurian Romances Arthurian Romances by Chrétien de Troyes is a collection of short stories set in the Early Middle Ages, in England. They follow the path of several knights – including Lancelot's dad – through adulthood focusing on their romantic affairs. What tests will the knights encounter in order to prove themselves worthy of a woman's love?

Critical Approaches to Teaching the High School Novel Mar 04 2021 This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades. By employing a set of fresh, vibrant critical lenses—such as youth studies and disabilities studies—that are often unfamiliar to advanced students and scholars of secondary English, this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works. By introducing and applying these interpretive frames to the field of secondary English education, this book demonstrates that there is more to say about these texts, ways to productively problematize them, and to reconfigure how they may be read and used in the classroom.

Standing Alone Jul 08 2021 As President Bush is preparing to invade Iraq, Wall Street Journal correspondent Asra Nomani embarks on a dangerous journey from Middle America to the Middle East to join more than two million fellow Muslims on the hajj, the pilgrimage to Mecca required of all Muslims once in their lifetime. Mecca is Islam's most sacred city and strictly off limits to non-Muslims. On a journey perilous enough for any American reporter, Nomani is determined to take along her infant son, Shibli -- living proof that she, an unmarried Muslim woman, is guilty of zina, or "illegal sex." If she is found out, the puritanical Islamic law of the Wahabbis in Saudi Arabia may mete out terrifying punishment. But Nomani discovers she is not alone. She is following in the four-thousand-year-old footsteps of another single mother, Hajar (known in the West as Hagar), the original pilgrim to Mecca and mother of the Islamic nation. Each day of her hajj evokes for Nomani the history of a different Muslim matriarch: Eve, from whom she learns about sin and redemption; Hajar, the single mother abandoned in the desert who teaches her about courage; Khadijah, the first benefactor of Islam and trailblazer for a Muslim woman's right to self-determination; and Aisha, the favorite wife of the Prophet Muhammad and Islam's first female theologian. Inspired by these heroic Muslim women, Nomani returns to America to confront the sexism and intolerance in her local mosque and to fight for the rights of modern Muslim women who are tired of standing alone against the repressive rules and regulations imposed by reactionary fundamentalists. Nomani shows how many of the freedoms enjoyed centuries ago have been erased by the conservative brand of Islam practiced today, giving the West a false image of Muslim women as veiled and isolated from the world. Standing Alone in Mecca is a personal narrative, relating the modern-day lives of the author and other Muslim women to the lives of those who came before, bringing the changing face of women in Islam into focus through the unique lens of the hajj. Interweaving reportage, political analysis, cultural

history, and spiritual travelogue, this is a modern woman's jihad, offering for Westerners a never-before-seen look inside the heart of Islam and the emerging role of Muslim women.

Heart Nov 04 2023 Heart is a rock group formed during 1970 in Seattle, Washington, U.S., by Steve Fossen (bass guitar), Roger Fisher (guitar), David Belzer (keyboards), and Jeff Johnson (drums), having evolved from an existing band, White Heart. The vocalists for Heart since 1973 have been sisters Ann Wilson (lead vocals, flute, guitar) (born June 19th, 1950) and Nancy Wilson (vocals, guitar, mandolin) (born March 16th, 1954). Over the group's history, it's had 3 main lineups. Heart first became successful when its members moved to Canada, partly to avoid the draft, followed later by the States then worldwide. The band rose to fame in the mid-'70s with music influenced by hard rock and heavy metal, as well as folk music. Their popularity dipped during the early '80s, before Heart launched a successful comeback in 1985, which continued into the '90s, releasing many hard-rock songs and ballads. The group split up during 1998 then got back together in 2002. Heart ended their acrimonious break-up of 2016 during the summer of 2019, by launching their 'Love Alive' tour. Their iconic hits include Crazy on You (1976), Magic Man (1976), Barracuda (1977) and Alone (1987).

Evidence-Based Physical Examination Jun 26 2020 The first book to teach physical assessment techniques based on evidence and clinical relevance. Because His Heart Was Strong May 06 2021 “That was the moment, the turning point. That was the moment I fully understood the depth of Daddy’s love for me. Similar to the love of Christ, I knew his lack of consciousness—or even more realistically, the hostility of death’s doorstep—could not interfere with my father’s matchless love for his only daughter. While Christ’s suffering made me realize His love for me, my daddy’s suffering made me realize my love for him.” Losing a parent is never easy. Losing a good parent is even crueler. But losing an admirable parent comparable to Christ, it’s an extremely bitter truth to accept. Written from the viewpoint of an undeniable Daddy’s girl, Because His Heart was Strong entwines the captivating journey of Rick Owens’ final decade of life through her own story, including the remarkable courage he demonstrated amidst prolonged suffering and the sheer legacy he imparted in death, highlighting the faith he placed in his Savior through it all.

The Midwife's Labour and Birth Handbook Nov 11 2021 Praise for the previous edition: “...An outstanding handbook. It will be a familiar volume on most midwifery bookshelves, providing an excellent guide to midwifery focused care of both woman and child in the birthing setting.” - Nursing Times Online Providing a practical and comprehensive guide to midwifery care, The Midwife’s Labour and Birth Handbook continues to promote best practice and a safe, satisfying birthing experience with a focus on women-centred care. Covering all aspects of care during labour and birth, from obstetric emergencies to the practicalities of perineal repair (including left-hand suturing), the fourth edition has been fully revised and updated to include: Full colour photographs of kneeling extended breech and footling breech births New water birth and breech water birth photographs Female genital mutilation Sepsis Group B streptococcus Care of the woman with diabetes /Neonatal hypoglycaemia Mental health Seeding/microbirthing It also addresses important issues such as: Why are the numbers of UK women giving birth in stirrups RISING rather than falling? Why are so few preterm babies given bedside resuscitation with the cord intact? Would the creation of midwife breech practitioners/specialists enable more women to choose vaginal breech birth and is breech water birth safe? What is the legal position for women who choose to free birth – and their birth partners? Why are midwives challenging the OASI care bundle? Incorporating research, evidence and anecdotal observations, The Midwife’s Labour and Birth Handbook remains an essential resource for both student midwives and experienced practising midwives.

Resilient Religion, Resilience and Heartbreaking Adversity Dec 13 2021 A resilience theory on religion needs to answer four questions. What defines the kind of adversity which is addressed in religion? What is characteristic for processes of resilience in religion? What defines resilient religion as outcome? Which logic of inference (epistemology) based on our beliefs and experiences about reality binds these three elements together? The book starts with mapping the field of resilience theory on religion by addressing all four questions. The need for thinking about Christian resilience and the God symbol is addressed, and the need to be "explicitly contextual" with regard to resilience in South Africa. Next three types practices of religious acting are related to experiences of resilience, namely preaching, narrating and discerning. In the last chapters the focus is on the way stories help to express feelings of experiences of crises, tragedy, and trauma. But also how stories can help heal the broken heart. Prof Chris A.M. Hermans is extraordinary professor in practical theology and missiology at the University of the Free State (South Africa). He is emeritus professor in pastoral theology at Radboud University (the Netherlands).and emeritus professor in empirical study of religion as Radboud University (the Netherlands). Prof. Kobus (W.J.) Schoeman is professor of practical theology at the University of the Free State (South Africa).

Acute Heart Failure Sep 21 2022 For many years, there has been a great deal of work done on chronic congestive heart failure while acute heart failure has been considered a difficult to handle and hopeless syndrome. However, in recent years acute heart failure has become a growing area of study and this is the first book to cover extensively the diagnosis and management of this complex condition. The book reflects the considerable amounts of new data reported and many new concepts which have been proposed in the last 3-4 years looking at the epidemiology, diagnostic and treatment of acute heart failure.

There Goes My Heart (Maine Sullivans 2) May 30 2023 "There went my heart! Bella Andre has taken two people, lost and alone, and made them perfect together. She had my heart beating faster with every touching moment." 5 stars Rory Sullivan, a renowned artisan woodworker, has no plans to fall in love anytime soon. Especially not with Zara Mirren, who shares a converted warehouse space with him in Bar Harbor, Maine. While she is a brilliant maker—the eyeglasses frames she designs are practically works of art—everything else about her drives him bonkers. The way she's always whistling cheesy pop songs off-key. The way her half-drunk cups of coffee litter every available countertop. And especially the way he can't take his eyes off her whenever she enters a room...or stop thinking about her after she leaves. Zara loves everything about her career—designing and manufacturing bright, fun glasses frames fulfills both the creative and technical sides of her brain. The only downside to coming to work is bumping into irritating, far-too-handsome-for-his-own-good Rory Sullivan...even if she secretly enjoys the zingers they throw at each other. On the plus side, thinking up new ways to torment Rory on a daily basis has helped Zara stop dwelling on the fact that her ex-boyfriend cheated on her with her stepsister. But when Zara learns that her ex and her stepsister have just become engaged, she's doubly stunned by Rory's

suggestion to go as her pretend boyfriend to their engagement party, in a one-night truce where they'll be a team rather than adversaries. Only, when it turns out that the sparks between them disguise a deeper passion—and bigger emotional connection—than either has ever known, will both Rory and Zara end up losing their hearts to the last person they could have imagined? THERE GOES MY HEART is part of Bella Andre's USA Today and New York Times #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. "Another great read from this author! There Goes My Heart has you laughing out loud at times, but other times you are reaching for the tissues." "I absolutely adored this amazing read! There Goes My Heart was sweet, funny and emotional. The sparks and banter fly, and it is impossible not to feel the intense pull of attraction. A delightful read that gives you all the feels." "I can't get enough of this series! One thing I love about Bella's stories is how sweet, sensual and romantic they are. This series has deep family values, and they love so completely it's hard not to wish you were one of them." "There Goes My Heart was sweet and romantic and hot and sexy and I had a blast reading Rory and Zara's journey to love!" SAN FRANCISCO SULLIVANS The Look of Love From This Moment On Can't Help Falling In Love I Only Have Eyes For You If You Were Mine Let Me Be The One Come A Little Bit Closer Always On My Mind Kissing Under The Mistletoe SEATTLE SULLIVANS One Perfect Night The Way You Look Tonight It Must Be Your Love Just To Be With You I Love How You Love Me All I Ever Need Is You NEW YORK SULLIVANS Every Beat Of My Heart Now That I've Found You Since I Fell For You Sweeter Than Ever The Best Is Yet To Come Can't Take My Eyes Off Of You You Do Something To Me Every Time We Fall In Love MAINE SULLIVANS Falling In Love All Over Again Your Love Is Mine There Goes My Heart More Maine Sullivans are coming soon! Bella Andre is the New York Times, USA Today, Publishers Weekly and Wall Street Journal bestselling author of "The Sullivans", "The Morrisons" and "The Maverick Billionaires" series. Her novels have been #1 bestsellers around the world and she has sold more than 8 million books so far! Known for "sensual, empowered stories enveloped in heady romance" (Publishers Weekly), her books have been Cosmopolitan Magazine "Red Hot Reads" twice and have been translated into ten languages. There are more than 50,000 5 star reviews for Bella Andre's books on Goodreads! Married with two children, Bella splits her time between the Northern California wine country, a log cabin in the Adirondack mountains of upstate New York, and a flat in London overlooking the Thames.

The Color of the Sky Is the Shape of the Heart Jan 14 2022 A Zainichi Korean teen comes of age in Japan in this groundbreaking debut novel about prejudice and diaspora. Seventeen-year-old Ginny Park is about to get expelled from high school—again. Stephanie, the picture book author who took Ginny into her Oregon

home after she was kicked out of school in Hawaii, isn't upset; she only wants to know why. But Ginny has always been in-between. She can't bring herself to open up to anyone about her past, or about what prompted her to flee her native Japan. Then, Ginny finds a mysterious scrawl among Stephanie's scraps of paper and storybook drawings that changes everything: The sky is about to fall. Where do you go? Ginny sets off on the road in search of an answer, with only her journal as a confidante. In witty and brutally honest vignettes, and interspersed with old letters from her expatriated family in North Korea, Ginny recounts her adolescence growing up Zainichi, an ethnic Korean born in Japan, and the incident that forced her to leave years prior. Inspired by her own childhood, author Chesil creates a portrait of a girl who has been fighting alone against barriers of prejudice, nationality, and injustice all her life—all while searching for a place to belong.

I Alone Can Fix It Jul 20 2022 The instant #1 New York Times bestseller \ A Washington Post Notable Book \ One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access,

Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

*My Heart Fills With Happiness / sâkaskinêw nitêh miywêyih tamowin ohci Aug 01 2023 ? *Loneliness Dec 25 2022 Have you ever felt lonely? Isolated? Abandoned? No one escapes the feelings of loneliness caused by separation, grief, loss, or isolation. It can strike anyone young or old, outgoing or introverted, confident or uncertain. June Hunt, a biblical counselor, explains how being alone and being lonely differ, what leads to feelings of loneliness, how to identify situational causes for loneliness, what the psychological and physical symptoms of loneliness are, and how to overcome feelings of loneliness. God has placed within each of us a basic need for a relationship with Him and with others; therefore, our longing to belong is natural. You may feel like the entire world has abandoned you, as if no one understands your pain and sorrow, but the Bible promises that the Lord is with you always! God designed us to be in meaningful and satisfying relationships with friends, with family, and possibly with a husband or wife. But the reality is we can feel so lonely, so separated, so isolated, and thinking no one really understands. This mini-book *Loneliness: How to Be Alone but Not Lonely* gives Christian advice on how to find comfort in knowing God understands our deepest times of loneliness. He knows the heaviness of your heart. And you will find practical and biblical advice on how to find joy in times of solitude.*

*Guard your Heart Jan 26 2023 *Guard Your Heart* is the Carnegie shortlisted debut novel from Sue Divin. Boy meets girl on the Northern Irish border. Derry. Summer 2016. Aidan and Iona, now eighteen, were both born on the day of the Northern Ireland peace deal. Aidan is Catholic, Irish, and Republican. With his ex-political prisoner father gone and his mother dead, Aidan's hope is pinned on exam results earning him a one-way ticket out of Derry. To anywhere. Iona, Protestant and British, has a brother and father in the police. She's got university ambitions, a strong faith*

and a fervent belief that boys without one track minds are a myth. At a post-exam party, Aidan wanders alone across the Peace Bridge and becomes the victim of a brutal sectarian attack. Iona witnessed the attack; picked up Aidan's phone and filmed what happened, and gets in touch with him to return the phone. When the two meet, alone and on neutral territory, the differences between them seem insurmountable. Both their fathers held guns, but safer to keep that secret for now. Despite their differences and the secrets they have to keep from each other, there is mutual intrigue, and their friendship grows. And so what? It's not the Troubles. But for both Iona and Aidan it seems like everything is keeping them apart, when all they want is to be together . . .

Introductory Review on Sirtuins in Biology, Aging, and Disease Jan 31 2021 Introductory Review on Sirtuins in Biology and Disease provides key insights for scientists and advanced students who need to understand sirtuins and the current research in this field. This book is ideal for pharmaceutical companies as they develop novel targets using sirtuins for metabolic diseases, cancer and neurodegenerative illnesses. Sirtuins are a diverse family of proteins, with several members in mammals. The functional diversity of sirtuins is rather broad, and they have been implicated in various central biological processes. Thus, they are also highly relevant in the context of various human diseases, from cancer to neurodegeneration. Covers both the general and specific aspects of sirtuin proteins and their role in biology, aging and disease Presents a top quality collection of leading experts who contribute on a wide range of sirtuin-related topics Ideal resource for pharmaceutical companies as they develop novel targets using sirtuins for metabolic diseases, cancer and neurodegenerative illnesses

The Lonely City Oct 11 2021 There is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.

When We Were Alone May 18 2022 When a young girl helps tend to her

grandmother's garden, she begins to notice things that make her curious. Why does her grandmother have long, braided hair and beautifully coloured clothing? Why does she speak another language and spend so much time with her family? As she asks her grandmother about these things, she is told about life in a residential school a long time ago, where all of these things were taken away. When We Were Alone is a story about a difficult time in history, and, ultimately, one of empowerment and strength. Also available in a bilingual Swampy Cree/English edition. When We Were Alone won the 2017 Governor General's Literary Award in the Young People's Literature (Illustrated Books) category, and was nominated for the TD Canadian's Children's Literature Award.

Conservation Physiology Sep 02 2023 Conservation physiology is a rapidly expanding, multidisciplinary field that utilizes physiological knowledge and tools to understand

and solve conservation challenges. This novel text provides the first consolidated overview of its scope, purpose, and applications, with a focus on wildlife. It outlines the major avenues and advances by which conservation physiology is contributing to the monitoring, management, and restoration of wild animal populations. This book also defines opportunities for further growth in the field and identifies critical areas for future investigation. By using a series of global case studies, contributors illustrate how approaches from the conservation physiology toolbox can tackle a diverse range of conservation issues including the monitoring of environmental stress, predicting the impact of climate change, understanding disease dynamics, improving captive breeding, and reducing human-wildlife conflict. Moreover, by acting as practical road maps across a diversity of sub-disciplines, these case studies serve to increase the accessibility of this discipline to new researchers. The diversity of taxa, biological scales, and ecosystems highlighted illustrate the far-reaching nature of the discipline and allow readers to gain an appreciation for the purpose, value, applicability, and status of the field of conservation physiology. Conservation Physiology is an accessible supplementary textbook suitable for graduate students, researchers, and practitioners in the fields of conservation science, eco-physiology, evolutionary and comparative physiology, natural resources management, ecosystem health, veterinary medicine, animal physiology, and ecology.

Am I Alone Here? Jun 30 2023 This National Book Critics Circle Award is “an entrancing attempt to catch what falls between: the irreducibly personal, messy, even embarrassing ways reading and living bleed into each other, which neither literary criticism nor autobiography ever quite acknowledges.” —The New York Times “Stories, both my own and those I’ve taken to heart, make up whoever it is that I’ve become,” Peter Orner writes in this collection of essays about reading, writing, and living. Orner reads and writes everywhere he finds himself: a hospital cafeteria, a coffee shop in Albania, or a crowded bus in Haiti. The result is a book of unlearned meditations that stumbles into memoir. Among the many writers Orner addresses are Isaac Babel and Zora Neale Hurston, both of whom told their truths and were silenced; Franz Kafka, who professed loneliness but craved connection; Robert Walser, who spent the last twenty-three years of his life in a Swiss insane asylum, working at being crazy; and Juan Rulfo, who practiced the difficult art of silence. Virginia Woolf, Eudora Welty, Yasunari Kawabata, Saul Bellow, Mavis Gallant, John Edgar Wideman, William Trevor, and Vaclav Havel make appearances, as well as the poet Herbert Morris--about whom almost nothing is known. An elegy for an eccentric late father, and the end of a marriage, Am I Alone Here? is also a celebration of the possibility of renewal. At once personal and panoramic, this book will inspire readers to return to

the essential stories of their own lives.

Cross My Heart Feb 24 2023 Detective Alex Cross is a family man at heart - nothing matters more to him than his children, his grandmother and his wife Bree. His love of his family is his anchor, and gives him the strength to confront evil in his work. One man knows this deeply, and uses Alex's strength as a weapon against him in the most unsettling and unexpected novel of James Patterson's career. When the ones Cross loves are in danger, he will do anything to protect them. If he does anything to protect them, they will die.

Will I Ever Pee Alone Again? Jun 06 2021 There's a pyjama-clad woman from Brum, She's a mostly-happy (sometimes-snappy) mum, She's written some verse - it's a little perverse - and she hopes you find it side-splitting-ly fun! In her first book, happy-go-lucky YouTuber and Instagrammer Emma Conway explores motherhood in all its glory through the medium of hilarious and uplifting poetry. A mum to two young humans aged 7 and 9, she revisits the days of no sleep, potty training and toddler tantrums; dives deep into first days of school, sibling bickering and watching your babies grow into little people; and writes frankly about life after having kids, embracing the mum bod and giving zero sods. Written with huge amounts of warmth and love, and just the right amount of piss-takery, this is the reassuring hug-in-a-book you and all the mums in your life need.

Heart of Gold Mar 28 2023 NAACP nominee and bestselling author Beverly Jenkins returns to the charming town of Henry Adams, Kansas—a place that always feels like home—in this heartwarming story of family, friendship, and the surprises hidden in our lives. Henry Adams has had its fair share of drama ever since Bernadine Brown bought the town with her divorce settlement. Now just when things are starting to settle down, it's about to get crazy again . . . Cephas Patterson doesn't just want to be left alone—if you dare step onto his property, he'll meet you with a shotgun and a warning to stay away from his gold. He reminds Zoey of the lonely time she spent living on the streets, so she quietly begins leaving him small offerings. But then Cephas dies and leaves a saddlebag of gold—to Zoey. And that's not all. Zoey's parents are going through a trial separation, her former BFF Devon is giving her fits, and friend Crystal has run away from home. Then there's Bernadine's mean-spirited baby sister who has arrived unexpectedly, and an ongoing battle with a neighboring town is about to heat up. Will Henry Adams ever be the same again?

Selected Health Conditions and Likelihood of Improvement with Treatment Dec 01

2020 The Social Security Administration (SSA) administers two programs that provide disability benefits: the Social Security Disability Insurance (SSDI) program and the Supplemental Security Income (SSI) program. SSDI provides disability benefits to people (under the full retirement age) who are no longer able to work because of a disabling medical condition. SSI provides income assistance for disabled, blind, and aged people who have limited income and resources regardless of their prior participation in the labor force. Both programs share a common disability determination process administered by SSA and state agencies as well as a common definition of disability for adults: "the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months." Disabled workers might receive either SSDI benefits or SSI payments, or both, depending on their recent work history and current income and assets. Disabled workers might also receive benefits from other public programs such as workers' compensation, which insures against work-related illness or injuries occurring on the job, but those other programs have their own definitions and eligibility criteria. Selected Health Conditions and Likelihood of Improvement with Treatment identifies and defines the professionally accepted, standard measurements of outcomes improvement for medical conditions. This report also identifies specific, long-lasting medical conditions for adults in the categories of mental health disorders, cancers, and musculoskeletal disorders. Specifically, these conditions are disabling for a length of time, but typically don't result in permanently disabling limitations; are responsive to treatment; and after a specific length of time of treatment, improve to the point at which the conditions are no longer disabling.
