Hang around bikers long enough and they'll all tell you things don't always go as planned. That is proved over and over again in this collection of tales told by journalist and motorcyclist C.G. Masi. Join Masi and his band of merry bikers as they try their best to have good, clean fun while riding from Point A to Point B. It's all crammed into five road trips taken during the late 1980s and early 1990s. As they set out on their adventures, the friends have big dreams about making money doing what they love best - riding bikes. One of them wants to travel the country and make a living taking photographs. Masi wants to earn a living writing stories about his great adventures. And then there is Fred, who dreams of restoring a 1949 74 c.i.d., Hydra Glide Panhead. His mission will be the catalyst that leads to each rider falling victim to the different types of trolls that lurk under the next bridge or around the next corner in Shakedown Blues. Made to Break is a history of twentieth-century technology as seen through the prism of obsolescence. Giles Slade explains how disposability was a necessary condition for America's rejection of tradition and our acceptance of change and impermanence. This book gives us a detailed and harrowing picture of how, by choosing to support ever-shorter product lives, we may well be shortening the future of our way of life as well.
