Soon, Penny's family, the local police, and even the FBI are grilling Lil, and she decides to head out to Oregon, where Penny has mentioned an acquaintance. And who better to road-trip across the country with than Lil's BFF, Josh. But here's the thing: Lil loves Josh. And Josh doesn't want to "ruin" their amazing friendship. Making Love with the Land Apr 01 2021 A moving and deeply personal excavation of Indigenous beauty and passion in a suffering world The novel Jonny Appleseed established Joshua Whitehead as one of the most exciting and important new literary voices on Turtle Island, winning both a Lambda Literary Award and Canada Reads 2021. In *Making Love with the Land*, his first nonfiction book, Whitehead explores the relationships between body, language, and land through creative essay, memoir, and confession. In prose that is evocative and sensual, unabashedly queer and visceral, raw and autobiographical, Whitehead writes of an Indigenous body in pain, coping with trauma. Deeply rooted within, he reaches across the anguish to create a new form of storytelling he calls "biostory"—beyond genre, and entirely sovereign. Through this narrative perspective, *Making Love with the Land* recasts mental health struggles and our complex emotional landscapes from a nefarious parasite on his (and our) well-being to kin, even a relation, no matter what difficulties they present to us. Whitehead ruminates on loss and pain without shame or ridicule but rather highlights

waypoints for personal transformation. Written in the aftermath of heartbreak, before and during the pandemic, *Making Love with the Land* illuminates this present moment in which both Indigenous and non-Indigenous people are rediscovering old ways and creating new ones about connection with and responsibility toward each other and the land. Intellectually audacious and emotionally compelling, Whitehead shares his devotion to the world in which we live and brilliantly—even joyfully—maps his experience on the land that has shaped stories, histories, and bodies from time immemorial.

*Conversion* Nov 20 2022 A stressful senior year of college applications, valedictorian competitions and interpersonal dramas at St. Joan's Academy in Danvers culminates in eerie behavior by a circle of girls who disturbingly emulate historical figures from *The Crucible's Salem Village*. Simultaneous eBook.

*Saving Montgomery Sole* Apr 25 2023 A beautiful and offbeat novel from Mariko Tamaki, co-creator of the bestselling *Printz Honor* and *Caldecott Honor Book* *This One Summer*. *Montgomery Sole* is a square peg in a small town, forced to go to a school full of jocks and girls who don't even know what irony is. It would all be impossible if it weren't for her best friends, Thomas and Naoki. The three are also the only members of Jefferson High's Mystery Club, dedicated to exploring the weird and unexplained, from ESP and astrology to super powers and mysterious objects. Then there's the Eye of Know, the possibly powerful crystal amulet Monty bought online. Will it help her predict the future or fight back against the ignorant jerks who make fun of Thomas for being gay or Monty for having lesbian moms? Maybe the Eye is here just in time, because the newest resident of their small town is scarier than mothmen, poltergeists, or, you know, gym. Thoughtful, funny, and painfully honest, *Montgomery Sole* is someone you'll want to laugh and cry with over a big cup of frozen yogurt

with extra toppings.

The Cambridge Companion to the Graphic Novel Jul 04 2021 This Companion examines the evolution of comic books into graphic novels and the development of this art form globally.

One afternoon, Jenna and Jeremy are pulled from class and given horrifying news: their father, a college psychologist, has just shot their mother to death on a public street. Now, Mom is dead, Dad is in jail, and a fifth-grade boy and his fourteen-year-old sister have a lot to reconcile. With their fragile new lives in free fall, and their father about to stand trial, they're now going to have to confront the unimaginable. After a historical contextualization, the graphic novel is defined through the core feature of complexity and seven gradable subcategories. With regard to narration, the author challenges concepts from classical narratology like the 'narrator' and 'focalization' to finally discuss aspects of subjectivity, a focal paradigm in the latest research.

Boundless     Oct 07 2021 APPEARED ON BEST OF THE YEAR LISTS FROM NPR, PUBLISHERS WEEKLY, WASHINGTON POST, VULTURE, BOOKLIST, AND MORE The cartoonist of *This One Summer* and *SuperMutant Magic Academy* explores the virtual and IRL world of contemporary women via a lens both surreal and wry Jenny becomes obsessed with a strange "mirror Facebook," which presents an alternate, possibly better, version of herself. Helen finds her clothes growing baggy, her shoes looser, and as she shrinks away to nothingness, the world around her recedes as well. The animals of the city briefly open their minds to us, and we see the world as they do. A mysterious music file surfaces on the internet and forms the basis of a utopian society--or is it a cult? *Boundless* is at once fantastical and realist, playfully

hinting at possible transcendence: from one's culture, one's relationship, oneself. This collection of short stories is a showcase for the masterful blend of emotion and humour of award-winning cartoonist Jillian Tamaki.

2023 With contributions by: Eti Berland, Rebecca A. Brown, Christiane Buuck, Joanna C. Davis-McElligatt, Rachel Dean-Ruzicka, Karly Marie Grice, Mary Beth Hines, Krystal Howard, Aaron Kashtan, Michael L. Kersulov, Catherine Kyle, David E. Low, Anuja Madan, Meghann Meeusen, Rachel L. Rickard Rebellino, Rebecca Rupert, Cathy Ryan, Joe Sutliff Sanders, Joseph Michael Sommers, Marni Stanley, Gwen Athene Tarbox, Sarah Thaller, Annette Wannamaker, and Lance Weldy One of the most significant transformations in literature for children and young adults during the last twenty years has been the resurgence of comics. Educators and librarians extol the benefits of comics reading, and increasingly, children's and YA comics and comics hybrids have won major prizes, including the Printz Award and the National Book Award. Despite the popularity and influence of children's and YA graphic novels, the genre has not received adequate scholarly attention. *Graphic Novels for Children and Young Adults* is the first book to offer a critical examination of children's and YA comics. The anthology is divided into five sections, structure and narration; transmedia; pedagogy; gender and sexuality; and identity, that reflect crucial issues and recurring topics in comics scholarship during the twenty-first century. The contributors are likewise drawn from a diverse array of disciplines--English, education, library science, and fine arts. Collectively, they analyze a variety of contemporary comics, including such highly popular series as *Diary of a Wimpy Kid* and *Lumberjanes*; Eisner award-winning graphic novels by Gene Luen Yang, Nate Powell, Mariko Tamaki, and Jillian Tamaki; as well as volumes frequently challenged for use

in secondary classrooms, such as Raina Telgemeier's Drama and Sherman Alexie's The Absolutely True Diary of a Part-Time Indian.

She's a kid who dyes her hair black and hates everyone but her best friend, Lincoln. To Starfire, who is from another planet, Mandy seems like an alien, like some distant, angry, light-years away moon. And ever since she walked out on her SATs, which her mom doesn't know about, Mandy has been even more distant. Everyone thinks Mandy needs to go to college and become whoever you become at college, but Mandy has other plans. Or she did until she gets partnered with Claire, the person she intensely denies liking but definitely likes a lot, for a school project. When someone from Starfire's past arrives, Mandy must make a choice: give up before the battle has even begun, or step into the unknown and risk everything to save her mom. Daydreams of Angels Jun 22 2020 Inventive, outlandish, and tender fairy tales from a bestselling author The fantastic has always been at the edges of Heather O'Neill's work. In her bestselling novels *Lullabies for Little Criminals* and *The Girl Who Was Saturday Night*, she transformed the shabbiest streets of Montreal with her beautiful, freewheeling metaphors. She described the smallest of things—a stray cat or a second-hand coat—with an intensity that made them otherworldly. In *Daydreams of Angels*, O'Neill's first collection of short stories, she gives free reign to her imaginative gifts. In "The Ugly Ducklings," generations of Nureyev clones live out their lives in a grand Soviet experiment. In "Dear Piglet," a teenaged cult follower writes a letter to explain the motivation behind her crime. And in another tale, a grandmother reveals where babies come from: the beach, where young mothers-to-be hunt for infants in the surf. Each of these beguiling stories twists the beloved narratives of childhood—fairy tales, storybooks, Bible stories—to uncover the deepest truths of family life.

Drawing Words and Writing Pictures Jul 16 2022 A course on comics creation offers lessons on lettering, story, structure, panel layout, and much more, providing a solid introduction for people interested in making their own comics. Original.

She can sense what other living things are feeling. She can even talk to animals! Too bad she can't connect with her twin sister, Parker. Parker McFadden has kinetic gifts. She can cause shocks to the earth and produce heat energy that explodes from her body like fire, especially when she is angry. The sisters aren't aware of the legacy they inherited from their mother until, on their thirteenth

birthday, two mysterious relatives on the Power side whisk them off to an isolated sanctuary called Haven. Ellie immediately adapts to their new routine, but Parker has one impulse: to get back to her normal life of friends and sports, fast. Unlocking Haven's secrets is just the beginning of what Ellie and Parker can do if they choose to work together to harness their abilities. But the sinister force that took their mother has other plans; and if the sisters' fragile relationship succumbs to *The Danger*, a terrible fate may befall the people they love. This epic tale of two remarkable girls and the powers they wield is sure to appeal to fans of Chris Colfer, Rick Riordan, and Tui T. Sutherland.

*The Other Side of Perfect*      Dec 09 2021 For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.
